first and last characters of the Hebrew language just as the alpha and the omega are the first and last characters of the Greek language The Aleph Tav is also the Hebrew character symbol believed to be the signature of Christ found only in the Hebrew Bible represented by the head of a bull and the sign of a cross Both character symbols clearly point us to Christ the Lamb of God who died for humanity on the cross of Calvary I AM the Aleph Tav unveils the presence of Jesus in the Old Testament first by taking a deep dive into the mystery of the Aleph Tav Although this symbol appears almost ten thousand times in the Old Testament it was never interpreted into any other language and author Samuel Koiki shows how there are parallels between the Old Testament and the statements Jesus made to John in the book of Revelation where Jesus proclaimed that he was the Alpha and the Omega the beginning and the end in a different way the Aleph Tav Was Jesus telling John that he was there all along when the universe was created in Genesis Perhaps he was telling John that he indeed is the Creator Was he the one who split the Red Sea as told in Exodus Was he the Passover lamb in Leviticus the high priest in Numbers the rock that brought forth water in Deuteronomy or the commander of the Lord's army in Judges Was he telling John that he is on every page of the Old Testament all the way to Malachi where he is the Son of righteousness who brings healing This book unlike any other will bless and enrich you abundantly Sit back and embark on this incredible journey with me
