A Ready-Made Life Chong-un Kim, 1998-07-01 A Ready Made Life is the first volume of early modern Korean fiction to appear in English in the U S Written between 1921 and 1943 the sixteen stories are an excellent introduction to the riches of modern Korean fiction They reveal a variety of settings voices styles and thematic concerns and the best of them masterpieces written mainly in the mid 1930s display an impressive artistic maturity Included among these authors are Hwang Sun won modern Korea s greatest short story writer Kim Tong in regarded by many as the author who best captures the essence of the Korean identity Ch ae Man shik a master of irony Yi Sang a prominent modernist Kim Yu jong whose stories are marked by a unique blend of earthy humor and compassion Yi Kwang su and Kim Tong ni modernizers of the language of twentieth century Korean fiction and Yi Ki y ng Yi T ae jun and Pak T ae won three writers who migrated to North Korea shortly after Liberation in 1945 and whose works were subsequently banned in South Korea until democratization in the late 1980s One way of reading the stories all of which were written during the Japanese occupation is that beneath their often oppressive and gloomy surface lies an anticolonial subtext They can also be read as a collective record of a people whose life choices were severely restricted not just by colonization but by education either too little or too much as the title story shows and by a highly structured society that had little tolerance for those who overstepped its boundaries Life was unremittingly onerous for many Koreans during this period whatever their social background In the stories educated city folk fare little better than farmers and laborers A Ready Made Life will provide scholars and students

with crucial access to the literature of Korea's colonial period. A generous opening essay discusses the collection in the context of modern Korean literary history and short introductions precede each story. Here is a richly diverse testament to a modern literature that is poised to assume a long overdue place in world literature. *MacBethany* Nicholas

Grubbs, 2023-06-03 Summer break may be over and a new year may be starting at Arlington City High but simmering tensions between the students are about to reach a boiling point as the annual Student Council elections draw near. In the wake of a ruined clandestine relationship, a scandal that ruined the former football team captain's life and a suicide that sent shockwaves through the entire student body, this new year is shaping up to be even more traumatic than the one before. Still reeling over the events of the previous year, Bethany Hill wants to see the school turn to ashes. In the meantime, she will stop at nothing to get her girlfriend Lauren Bradshaw crowned the new school queen. Lauren's own reservations about the job be damned. Beth will make her President or die trying. Head Cheerleader Ashley Williams is out for blood after Beth allegedly stole Lauren her secret ex-girlfriend and puts forward her new boyfriend and star quarterback Spencer Barnett as Lauren's main competition. A true power couple, they stand to run the school unopposed if Spencer decides to take on yet another role as the most popular guy in school, a role he grows to hate more and more with each passing day. And then there's poor Katherine Duvall, a sweet naïve girl that just wants to make the world around her a better place for people outside of the top one percent. How is she supposed to run for office one day if she can barely give a book report in front of the class without wanting to throw up? Unfortunately, Katherine can barely get her foot in the door before the Powers That Be force Tracy Summers, one of the sitting Class Representatives that is very much not apart of the in-crowd, to befriend Katherine and sabotage her campaign from the inside in exchange for their friendship and a better spot on the Student Council. Knowing she will never get into Harvard if she doesn't get a stronger application, she begrudgingly accepts. Lies, cheating, and manipulation are the name of the game, and only one person can win. In this first entry of the *MACBETHANY* series, we will see just how far people will go to help the ones they love and just how far they will go to help themselves.
