Tabitha needs four dominant Highlanders to protect her In 1876 something seems to have gone awry because four strong Highland hunters get bonded with the same cat at the annual Highland Fling Then they discover the cat is actually a lovely young woman called Tabitha who is cursed to transform into a Scottish Wildcat on a monthly basis And she finds out the four men are wolf shifters The men are instantly drawn to their beautiful spirited new bride and are eager to mate with her and claim her as their own But their match belies a deep problem with the spirits that watch over the village When stranger things begin to happen around them threatening everyone in the village can they find a way to solve the odd goings on with the spirit world This is not a serial but a series of standalones HEA guaranteed Publisher's Note This light hearted Scottish historical romance is a wolf shifter reverse harem There are elements of ménage à trois power exchange paranormal with a little mad science and steamy sensual scenes If any of these offend you please do not purchase *The Junior Photographer* ,1900
