The International ,1914 **The Song of the Scarlet Host** Joseph Bernard Rethy,1915 **The Bang ...** ,1915 Aleister Crowley in America Tobias Churton,2017-12-05 An exploration of Crowley s relationship with the United States Details Crowley s travels passions literary and artistic endeavors sex magick and psychedelic experimentation Investigates Crowley s undercover intelligence adventures that actively promoted U S involvement in WWI Includes an abundance of previously unpublished letters and diaries Occultist magician poet painter and writer Aleister Crowley s three sojourns in America sealed both his notoriety and his lasting influence Using previously unpublished diaries and letters Tobias Churton traces Crowley s extensive travels through America and his quest to implant a new magical and spiritual consciousness in the United States while working to undermine Germany s propaganda campaign to keep the United States out of World War I Masterfully recreating turn of the century America in all its startling strangeness Churton explains how Crowley arrived in New York amid dramatic circumstances in 1900 After other travels in 1914 Crowley returned to the U S and stayed for five years turbulent years that changed him the world and the face of occultism forever Diving deeply into Crowley s 5 year stay we meet artists writers spies and government agents as we uncover Crowley s complex work for British and U S intelligence agencies Exploring Crowley s involvement with the birth of the Greenwich Village radical art scene we discover his relations with writers Sinclair Lewis and Theodore Dreiser and artists John Butler Yeats Leon Engers Kennedy and Robert Winthrop Chanler while living and lecturing on now vanished Genius Row We experience his love affairs and share Crowley s hard times in New Orleans and his return to health magical dynamism and the most colorful sex life in America We examine his controversial political stunts his role in the sinking of the passenger ship Lusitania his making of the Elixir of Life in 1915 his psychedelic experimentation his prolific literary achievements and his run in with Detroit Freemasonry We also witness Crowley s influence on Scientology founder L Ron Hubbard and rocket fuel genius Jack Parsons We learn why J Edgar Hoover wouldn t let Crowley back in the country and why

the FBI raided Crowley's organization in LA Offering a 20th century history of the occult movement in the United States Churton shows how Crowley's U S visits laid the groundwork for the establishment of his syncretic religion of Thelema and the now flourishing OTO as well as how Crowley's final wish was to have his ashes scattered in the Hamptons **Poetry** Harriet Monroe,1916 Aleister Crowley, Sylvester Viereck, Literature, Lust, and the Great War Patrick J.

Quinn,2021-09-28 This book explores the lives of two writers one born in Germany Viereck and one born in England Crowley who were both influenced by decadent French writers such as Baudelaire and Mirbeau and English poets such as Swinburne and Wilde They both wrote decadent poetry early in their careers before becoming known in literary circles as two of the most wicked writers in America Viereck and the world Crowley By their twenties their reputations as rebels against the restrictive and stifled cultures they inhabited were firmly established Both men enjoyed breaking with the status quo by writing poetry short stories and plays with exotic scenes that celebrated the beauty of the female body Both writers were captivated by the femme fatale and her deleterious effect on her male victims robbing them of their opportunity for transcendence into a spiritual realm Their work especially their love poetry their science fiction works dealing with vampires and articles and essays concerning the onset of the Great War are still very readable today What is also intriguing is that in 1915 both men were working together in New York where Viereck was the editor of two pro German magazines The Fatherland and The International Searching for an editorial position at that time Crowley learned about an opening and was hired by Viereck There is speculation that Crowley's discovery of the job opening for these pro German magazines was a clever plan on the part of the British secret service to place one of their agents inside the German spy network in America of which Viereck was a key player Propaganda intrigue cover ups and the American declaration of war on Germany all make this alliance between the two very decadent poets and perhaps spies or even double agents worth knowing more about
