Paul Mukendi,2017-05-31 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ **Meditations on the Divine Liturgy** Nikolaï Vasil'evich Gogol',1913 **Forged in Dragonfire** Daniel Arenson,2016-01-12 In a cruel desert slaves toil in chains Their masters angelic seraphim with haloes and swan wings drive them mercilessly with whips of fire For centuries the slaves have languished here

building pyramids temples and glorious cities for their overlords But long ago these wretched beaten people were not slaves Long ago they could become dragons They once lived in a land called Requiem many miles away Without their chains and collars they could summon ancient magic grow wings and breathe dragonfire Today Requiem lies in ruin perhaps only a myth Today the children of Requiem labor as humans rather than fly as dragons But there are some who believe that Requiem can rise again A slave girl a miner of bitumen A haunted young man a brickmaker A haggard priest his wife slain A mysterious princess holder of a secret power Together they will rise up They will cast off their chains They will tell their seraphim masters Requiem is free We will fly as dragons again _____
