Classic American Popular Song David Jenness,Donald Velsey,2014-02-04 Classic American Popular Song The Second Half Century 1950 2000 addresses the question What happened to American popular song after 1950 There are numerous books available on the so called Golden Age of popular song but none that follow the development of popular song styles in the second half of the 20th century While 1950 is seen as the end of an era the tap of popular song creation hardly ran dry after that date Many of the classic songwriters continued to work through the following decades Porter was active until 1958 Rodgers until the later 1970s Arlen until 1976 Some of the greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age s last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book will make fascinating reading

A Song for the River Philip Connors,2018-09-18 Southwest Book Award BRLA Notable Book Sigurd Olson Nature Writing Award Amazon Book Review Best Nonfiction of 2018 2018 Publisher s Weekly Best Books of the Year Nonfiction 2018 Southwest Books of the Year Outside Magazine Pick for Best Adventure Books of the Season NPR Summer Reading List Pick From one of the last fire lookouts in America comes this sequel to the award winning Fire Season a story of calamity and resilience in the world s first Wilderness A dozen years into his dream job keeping watch over the Gila Wilderness of New Mexico Philip Connors bore witness to the wildfire he had always feared a conflagration that forced him off his mountain by helicopter and changed forever the forest and watershed he loved It was merely one of many transformations that arrived in quick succession not just fire and flood but illness divorce the death of a fellow lookout in a freak accident and a tragic plane crash that rocked the community he called home At its core an elegy for a friend he cherished like a brother A Song for the River opens into celebration of a landscape redolent with meaning and the river that runs through it Connors channels the voices of the voiceless in a praise song of great urgency and makes a plea to save a vital piece of our natural and cultural heritage the wild Gila River whose waters are threatened by a potential dam Brimming with vivid characters and beautiful evocations of the landscape A Song for the River carries the story of the Gila Wilderness forward to the present precarious moment and manages to find green shoots everywhere sprouting from the ash Its

argument on behalf of things wild and free could not be more timely and its goal is nothing less than permanent protection for that rarest of things in the American West a free flowing river the sinuous and gorgeous Gila It must not perish
