Soon She Will Be Gone:

Love Me Forever Donna Fletcher, 2023-06-23 He wasn't who she thought he was he was so much more Brianna Cameron has had a difficult married life Finally free of an abusive husband she's now content to live with her brother Ian and his wife Moira of the Clan Maclean Life at last is good for Brianna but not for long A carriage accident leaves her alone and badly wounded in the woods She fears for her fate and when a stranger approaches and she catches sight of his face she screams herself into unconsciousness Royce didn't intend to frighten the injured beauty He simply wants to help her heal Left terribly scarred by a recent battle Royce has sought solitude to help heal more than just his wounds Brianna Cameron finds it difficult to trust any man but the badly scarred Highland warrior is gentle and kind to her and helps to heal not only her physical wounds but also her heart But Royce has a secret that could destroy their love and when danger threatens Brianna's life it's the powerful Highland warrior who comes to her rescue and seals their fate The Molybdenum Age Chris Cox, 2001-09-19 Well I don't know much about molybdenum and I wouldn't put it past them But it's a fact they had a lot of money from way back back before I reckon folks knew anything about molybdenum The way I hear it in the old days the Faerids weren't so mysterious they used to just come and go as they pleased in the middle of the day back in the time of Charlie Faer old man Faer's granddad And he was on real friendly terms with them as likely as not he was more than half Faerid himself and he picked up on more than a few of their tricks he did They say he could reach out and touch a thing with his little finger and turn it to gold Al demonstrated as he spoke And this here finger he could use to turn things to cherry red and the long one was for aquamarine and the pointer finger made things violet They say he made a fortune painting billboards But that's not all not by a long shot They say he knew the old songs for everything from changing the weather to getting rid of warts to making brownies And you never knew when he was going to show up cause he could just come and go as he pleased with nothing more than a snap of his fingers You just never knew Elsewhere Gyrdur Eliasson, Frode Grytten, Micheal O Conghaile, Danielle Picard, Mehmet Zaman Saclioglu, Ingo Schulze, Roman Simic, Jean Sprackland, Olga Tokarczuk, Mirja Unge, 2013-12-03 What do we mean by small town How has this innocuous term one up from village a couple down from city come to function as a pejorative Pressed to describe what the phrase small town conjures up we'd be hard pushed to say anything positive closed minded petty provincial parochial On a broad European canvas however the rich traditions of short story writing challenge these preconceptions The stories collected here are neither narrow minded nor petty nor do the minds of their protagonists contract to fit their environment In Germany a house husband is slowly sent over the edge by his over achieving neighbours In the town of Odda in Norway a middle aged Morrissey fan has a matter of hours to find a girlfriend so his ailing mother can die in peace It's the small gestures a white lie the turning of a blind eye a small kindness or a secret kept that allow the characters of these communities to survive to breathe easily within the seemingly tight strictures life there can impose It's how we do things round here Tristram of Blent Anthony Hope, 1901 I Will Go With

You ZA! Rhena Richards,2022-07-19 The author ZA Rhena Richards remembered quiet and solemn times in her life where her thoughts and focus became clear as the global pandemic COVID 19 of 2020 ransacked and took hostage all rigorous lives all lifestyles and the comforts of normalcy but this time something was very different She realized she had a purpose and needed to respond The quiet of her became peaceful and she took comfort in seeking this in remembrance a sullen tender aged child sat alone on the veranda of her grandmother s house As she pined for her mother daily she gazed into the light blue sky All of the occupants were inside She heard a clear audible voice Where are you from What is your name She does not answer but she heard the questions Returning to the veranda the following morning she hears the same clear voice again ask Where are you from What is your name She hears the questions and again she does not answer but this time she begins to immediately reflect on the questions even throughout the night where the windows were open and the house fan span circulating heat across her skin as the mosquitoes feasted on it Stooping to sit on the veranda on the new born morning the same voice repeated the questions Finally responding She said I don t know in her head The soft wind like voice said Go and ask her with the skirt on I m scared she said they don t like me The clear voice said I will go with you Pull tug on her skirt The sullen tender aged child went inside and looked for her with the skirt and pulled it and asked Where am I from What s my name A warm smiling caramel colored face embedded with alabaster eyes shone down and told her The little girl walked back outside poised herself on the steps and said America Rhena I want to go to America My Mommy is there How do I get there In her head the little girl asked and finally smiled The still quiet voice said I will go with you **Delphi Collected**
