Huang,2018-04-01 Sheds new light on pre modern Chinese gender relationships in the context of marriage male Confucian literati self presentation and social networks In the first study of its kind about the role played by intimate memory in the mourning literature of late imperial China Martin W Huang focuses on the question of how men mourned and wrote about women to whom they were closely related Drawing upon memoirs epitaphs biographies litanies and elegiac poems Huang explores issues such as how intimacy shaped the ways in which bereaved male authors conceived of womanhood and how such conceptualizations were inevitably also acts of self reflection about themselves as men Their memorial writings reveal complicated self images as husbands brothers sons and educated Confucian males while their representations of women are much more complex and diverse than the representations we find in more public genres such as Confucian female exemplar biographies **Sooney** ,2003 **Dark Affinities, Dark Imaginaries** Joseph Natoli,2016-11-17 A story of self braided to a story of American culture Uniting personal history with cultural history *Dark Affinities* *Dark Imaginaries* tells a story of a mind a time and a culture The vehicle or medium of this excursion is an overview and sampling of the author s work and what is revealed are cautionary tales of a once aspiring egalitarian democracy confronted with plutocracy s gentrification of analog history and off line life superseded by a rush toward virtualized robotic AI transformation of the human life world of everything social and public giving way to everything personal and opinionated The vagaries of a lifetime of paths taken are woven together by a narrative that reveals in every piece a significance that was only partially present at its initial writing Thus the reader becomes involved in a developing story of a certain personal psyche working toward understanding its own development within a changing American culture Sometimes angry sometimes joyful but always curious and wry Joseph Natoli crosses the boundary lines of psychology politics literature philosophy education and economics to show how we bring ourselves and our cultural imaginaries simultaneously into being through the processes and pleasures of thinking beyond the confines of the personal Reading *Dark Affinities* is a welcome break from the neoliberal buzzword speak of politicians and university administrators It reminds me why I entered academia when it was a profession and not a business and when modeling thinking actually mattered Alison Lee University of Western Ontario Natoli s *Dark Affinities* reads as a culminating work of scholarship marshaling evidence from autobiography literary analysis critical theory and everyday culture in support of its claims Natoli presents his personal history in the same spirit that Raymond Williams did as evidence for the ways that cultural forces shape individuals and as grounds for the shaping of his intellectual and political practice Jeff Karnicky author of *Contemporary Fiction and the Ethics of Modern Culture* *Sooney* Jongsoon Chung,2003 *The Encyclopedia of Surfing* Matt Warshaw,2005 With 1 500
