Hallemeier, 2024-05-31 Postcolonialism has long been associated with post nationalism Yet the persistence of nation oriented literatures from within the African postcolony and its diasporas registers how dreams of national becoming endure In this fascinating new study Hallemeier brings together African literary studies affect studies and US empire studies to challenge chronologies that chart a growing disillusionment with the postcolonial nation and national development across the twentieth and twenty first centuries The Nigerian and South African writings in African Literature and US Empire while often attuned to the trans and extra national repeatedly scrutinise why visions of national exceptionalism signified by a pan African Nigeria and new South Africa remain stubbornly affecting despite decades of disillusionment with national governments beholden to a neocolonial global order In these fictions optimistic forms of nationalism cannot be reduced to easily critiqued state sanctioned discourses of renewal and development They are also circulated through experiences of embodied need quotidian aspiration and transnational pan African relationship *Sophiatown*, 1993-01-01 Sophiatown was the Chicago of South

Is the Kingdom of the Lost Dugmore Boetie, 2020-11-03 A fast paced romp through apartheid era South Africa that exemplifies the creative human capacity to overcome seemingly omnipotent enemies and overwhelming odds The picaresque hero of this novel Duggie is a dispossessed black street kid turned con man Duggie s response to being confined to the lowest level of South Africa s oppressive and humiliating racial hierarchy is to one up its absurdity with his own glib logic and preposterous schemes Duggie s story as one critic puts it offers an encyclopedic catalogue of rip offs swindles and hoaxes that regularly land him in jail and rely on his white targets refusal to admit a black man is capable of outsmarting them Duggie exploits South Africa s bureaucratic pass laws and leverages his artificial leg every chance he gets As a worthless embarrassment to the authorities and a bad example to the convicts Duggie even manages to get himself thrown out of jail From Duggie s Depression era childhood in urban Johannesburg to World War II and the rise of the white supremacist

apartheid regime to his final bitter triumph Boetie's narrative celebrates humanity's relentless drive to survive at any cost This new edition of Boetie's out of print classic features a recently discovered photograph of the author an introduction replete with previously unpublished research numerous annotations and is accompanied by Lionel Abrahams haunting poem Soweto Funeral composed after attending Boetie's interment all of which render the text accessible to a new generation of readers
