Sophocles Revisited:

Sophocles Revisited Hugh Lloyd-Jones, 1999 Sir Hugh Lloyd Jones was Regius Professor of Greek at Oxford University from 1960 to 1989 A scholar of commanding intelligence and learning he has made important contributions to our knowledge of ancient Greece across the full range from textual analysis to Greek religion and the classical tradition In September 1997 a group of his friends mostly former pupils and established scholars themselves gathered to celebrate his seventy fifth birthday and to offer him a set of papers on Sophocles an author especially close to his heart This volume collects those papers which give very varied approaches to the poet his work and his influence Professor Bernard Knox contributes a portrait of Sir Hugh as a scholar and a man as an introduction to the volume

Sophocles Revisited Jasper Griffin, 2023 This collection of papers on Sophocles was presented to Sir Hugh Lloyd Jones in 1997 by a group of his friends mostly former pupils and established scholars themselves to celebrate his 75th birthday

Dionysalexandros Douglas Cairns, Vayos Liapis, 2006-12-31 In seventeen original essays a distinguished international cast considers the text interpretation and cultural context of Greek tragedy There are detailed studies of single plays of major themes in each of the three tragedians of modern approaches to tragic text and interpretation and of the genre s social religious and political background Some of tragedy s most distinguished interpreters here present their latest work and pay tribute to the scholarly achievements of the volume s honorand Professor A F Garvie

A Cultural History of Tragedy in Antiquity Emily Wilson, 2021-05-20 In this volume tragedy in antiquity is examined synoptically from its misty origins in archaic Greece through its central position in the civic life of ancient Athens and its performances across the Greek speaking world to its new and very different instantiations in Republican and Imperial Roman contexts Lively original essays by eminent scholars trace the shifting dramatic forms performance environments and social meanings of tragedy as it was repeatedly reinvented Tragedy was consistently seen as the most serious of all dramatic genres these essays trace a sequence of different visions of what the most serious kind of dramatic story might be and the most appropriate ways of telling those stories on stage Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

Die Unfähigkeit, sich zu erkennen: Sophokles' Tragödien Eckard Lefèvre, 2017-09-18 This book interprets all seven Sophoclean tragedies 5th century B C as a whole focussing on the aspect of individuals being guilty of not reaching proper conclusions about their own selves and their situation although they possess the means and ability to do so Chapter I offers exact definitions of the concepts employed in analyzing the tragedies Chapters II VIII each contain a detailed interpretation of one of Sophocles seven tragedies Chapter IX Tableau presents the dramatic works within the context of Greek history of thought and politics of their time while Chapter X sheds some light on how Sophoclean concepts were continued in the comedies of Menander This study should not only prove helpful to scholars in the field of literary studies but also to

historians philosophers and all those interested in history of thought and cultural history since it examines in a fundamental way the thought of one of the most important poets of ancient Europe The Facts on File Companion to Classical Drama John E. Thorburn,2005 Surveys important Greek and Roman authors plays characters genres historical figures and more

A Companion to Modern British and Irish Drama, 1880 - 2005 Mary Luckhurst,2008-04-15 This wide ranging Companion to Modern British and Irish Drama offers challenging analyses of a range of plays in their political contexts It explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity An authoritative guide to modern British and Irish drama Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism Topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma **Euripides** Christopher Collard,Patrick Dominic

O'Sullivan,2013 This volume is a collection incorporating texts from many authors as well as Euripides some of them unidentified and without date Preface I page vii Pollution and Crisis in Greek Tragedy Fabian Meinel,2015-03-09 Pollution is ubiquitous in Greek tragedy matricidal Orestes seeks purification at Apollo s shrine in Delphi carrion from Polyneices unburied corpse fills the altars of Thebes delirious Phaedra suffers from a pollution of the mind This book undertakes the first detailed analysis of the important role which pollution and its counterparts purity and purification play in tragedy It argues that pollution is central in the negotiation of tragic crises fulfilling a diverse array of functions by virtue of its qualities and associations from making sense of adversity to configuring civic identity in the encounter of self and other While primarily a literary study providing close readings of several key plays the book also provides important new perspectives on pollution It will appeal to a broad range of scholars and students not only in classics and literary studies but also in the study of religions and anthropology **The Tangled Ways of Zeus** Alan H. Sommerstein,2010-05-13 The

Tangled Ways of Zeus is a collection of studies written over the last twenty years by the distinguished classicist Alan Sommerstein about various aspects of ancient Greek tragedy and in some cases other related genres It complements his recent collection of studies in Greek comedy Talking about Laughter OUP 2009 Some of the essays have not been published previously others have appeared in books or journals hard to find outside major academic libraries Each chapter deals with its own topic but between them they build up a multifaceted picture of the dramatists especially Aeschylus and Sophocles the genre and its interactions with the society culture and religion of classical Athens

Sophocles Revisited Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sophocles Revisited has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sophocles Revisited has opened up a world of possibilities. Downloading Sophocles Revisited provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sophocles Revisited has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sophocles Revisited. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sophocles Revisited. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sophocles Revisited, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sophocles Revisited has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
