Mark Hennessy

Sorority House Party:

I Hate You A Little Bit More Lexy Timms, They say guys can't get bullied. Man, were they wrong. Just another lie vicious girls feed to young impressionable boys. Assault. Charges. Expulsion. Lies. All begging to come to light. Things get worse before they get better for Mike and Robyn as they battle against the world. Or at least the Sorority House twins. The girls are coming at them harder than ever. The pressure's on as Robyn debates on which side to choose. And as Mike stares down the barrel of having his entire life torn apart, a knock at his door will change everything. Setting him on a collision course headed straight for the Sorority House duo. A Bad Boy Bullied Romance. I Hate You. I Hate You A Little Bit. I Hate You A Little Bit More. Ann Caruso, 2012-03. Diary of a Sorority House Mom recounts Ann Caruso's first two years as house director for a female version of Animal House where the women of the house set and enforced their own rules. When the girls asked if they could recycle liquor bottles during their first meeting, she knew she was in trouble. Though the house director contract and manual mandated that Ms. Caruso was responsible for the safety of the girls, she had no authority to carry out that task. There was no tab on the manual for what happens if a drunk girl falls out of the third floor window, gets raped, or dies of alcohol poisoning. It was common to find kegs iced in the bathtub, bottles of alcohol used as room decorations, and when she asked the risk management vice president if she wanted to know when a guy spent the night, her response was "Why? Has someone complained?" Diary of a Sorority House Mom will make you laugh out loud and bring you to tears. It is sometimes hysterical and at others disturbing or disgusting, but it was her life for two years. Her first sorority girls gave her eighteen of the happiest and six of the saddest months of her life. And for the most part, she wouldn't have changed a thing. **The Arrow of Pi Beta Phi**, 1908. **The Record of Sigma Alpha Epsilon**, 1912. **Annual Report of Purdue University**, Purdue University, 1925. **The Cendovian** Mark Hennessy, 2020-03-16. Our Code Transcends Us and Becomes Us. Stanford computer science professor Richard Nelson is on a mission to save humanity from itself. To do so, he must first save his wife Virginia. In this quest, Richard and his neuroscientist friend Pari seek the code to immortality. Leveraging artificial intelligence and virtual reality, they build a new world they call Cendovia, and an organization so secret most do not know they are even in it. A dramatic first day of college for Richard's top students, Victor, Marisa, and Connor, sets them on a collision course with this secret organization. For Victor, things start off bad and keep getting worse. He struggles to change his fortune, struggling most of all to uncover the mystery. His professor hides. Marisa and Connor team up to help Victor as these three friends strive to become the superheroes. Richard has called on programmers to be. While unlocking the capability to transcend into digital form, Richard

and Pari grapple with the moral questions such transcendence awakens At the risk of losing his grip on reality Richard reshapes his world to retain the memory of his love as he journeys into an after life of his own creation Though a looming danger approaches he remains willing to die for his cause and most of all for Virginia But how many deaths must he endure
