Soul Of Rumi A New Collection Of Ecstatic Poems:

The Soul of Rumi Coleman Barks, 2010-12-14 The Soul of Rumi collects the poetry of the thirteenth century Persian mystic that explores the divine from the teachings of Sufism Rumi's masterpieces have inspired countless people throughout the centuries and Coleman Barks's exquisite renderings are widely considered the definitive versions His translations capture the inward exploration and intensity that characterize Rumi's poetry making this unique voice of mysticism and desire contemporary while remaining true to the original poems In this volume readers will encounter the essence of Sufism's insights into the experience of divine love wisdom and the nature of both humanity and God Rumi's voice leaps off these pages with a rapturous power expressing our deepest yearning for the transcendent connection with the source of the divine there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union stories of sexual adventures and of loss poems of love and fury sadness and joy and quiet truths about the beauty and variety of human emotion For Rumi soul and body and emotion are not separate but are rather part of the great mystery of mortal life a riddle whose solution is love Above all else Rumi's poetry exposes us to the delight that comes from being fully alive urging us always to put aside our fears and take the risk of discovering our core self Barks's fresh original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring focusing on the ecstatic experience of the inseparability of human and divine love

The Soul of Rumi Coleman Barks, 2001-09-18 Inside A Lover's Heart There's Another World And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries and Coleman Barks's exquisite renderings of the thirteenth century Persian mystic are widely considered the definitive versions for our time Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry making this unique voice of mysticism and desire contemporary while remaining true to the original poems In this volume readers will encounter the essence of Sufism's insights into the experience of divine love wisdom and the nature of both humanity and God While Barks's stamp on this collection is clear it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless These poems express our deepest yearning for the transcendent connection with the source of the divine there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union stories of sexual adventures and of loss poems of love and fury sadness and joy and quiet truths about the beauty and variety of human emotion For Rumi soul and body and emotion are not separate but are rather part of the great mystery of mortal life a riddle whose solution is love Above all else Rumi's poetry exposes us to the delight that comes from being fully alive urging us always to put aside our fears and take the risk of discovering our core self No one knows what makes the soul wake up so happy Maybe a dawn breeze has blown the veil from the face of God These fresh original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring focusing on the ecstatic experience of the inseparability of human and divine love The match between Rumi's

sublime poetry and Coleman Barks's poetic art are unequaled and here this artistic union is raised to new heights

The Aesthetics of Self-Becoming Paul Crowther, 2019-03-20 This book shows that art involves an aesthetics of self becoming wherein we do not simply consume artistic meaning but become empowered by adapting ourselves to what creation in the different art forms makes possible Paul Crowther argues that the

great political task in aesthetics is no longer the creation of political art as such but rather the winning back of art and aesthetics as central societal concerns This involves the overcoming of neo liberal treatments of art as mere commodity and misguided attitudes that dismiss it as the product of dead white European males The book begins with a theory of self consciousness which reveals the necessary role played by the aesthetic in personal identity It then emphasises how art forms empower through processes of making and aesthetic effects that are unique to them individually To show this he considers the ontology of pictorial art sculpture installation and assemblage works architecture literature cinema and music His arguments concerning these are supported throughout by in depth discussions of specific artworks The book s effect overall is to reorientate aesthetics by showing how art empowers through its revelation of new possibilities of experience The Aesthetics of Self Becoming will appeal to philosophers of art and aesthetics as well as scholars in art history literary studies film studies and music theory who are interested in the book s central concerns **Enlightened Business** Joolz
