How Dante Can Save Your Life Rod Dreher, 2015-04-14 The opening lines of *The Divine Comedy* by Dante Alighieri launched Rod Dreher on a journey that rescued him from exile and saved his life Dreher found that the medieval poem offered him a surprisingly practical way of solving modern problems Following the death of his little sister and the publication of his New York Times bestselling memoir *The Little Way of Ruthie Leming* Dreher found himself living in the small community of Starhill Louisiana where he grew up But instead of the fellowship he hoped to find he discovered that fault lines within his family had deepened Dreher spiraled into depression and a stress related autoimmune disease Doctors told Dreher that if he didn't find inner peace he would destroy his health Soon after he came across *The Divine Comedy* in a bookstore and was enchanted by its first lines which seemed to describe his own condition In the months that followed Dante helped Dreher understand the mistakes and mistaken beliefs that had torn him down and showed him that he had the power to change his life Dreher knows firsthand the solace and strength that can be found in Dante's great work and distills its wisdom for those who are lost in the dark wood of depression struggling with failure or success wrestling with a crisis of faith alienated from their families or communities or otherwise enduring the sense of exile that is the human condition Inspiring revelatory and packed with penetrating spiritual moral and psychological insights *How Dante Can Save Your Life* is a book for people both religious and secular who find themselves searching for meaning and healing Dante told his patron that he wrote his poem to bring readers from misery to happiness It worked for Rod Dreher Dante saved Rod Dreher's life and in this book Dreher shows you how Dante can save yours
