Summer Impressions:

Dostoevsky Joseph Frank, 1986 Begins with the writer's return to St Petersburg after a ten year Siberian exile Having met with sudden fame as the highly praised young author of *Poor Folk* in 1845 Dostoevsky was abruptly forgotten after his arrest and exile for political conspiracy He came back to the capital determined to reestablish his literary reputation Now as the editor of and writer for two literary journals that joined in the cultural and social ferment of Russia in the early 1860s Dostoevsky was to discover the themes that would underlie his mature masterpieces

Lectures on Dostoevsky Joseph Frank, 2022-04-19 L ditteur indique This book collects twelve classroom lectures on seven major works by Dostoevsky *Crime and Punishment* *The Brothers Karamazov* *The Idiot* *Notes from Underground* and three others by Joseph Frank the author of the definitive five volume biography of Dostoevsky published by Princeton University Press Frank's widow Marguerite Frank has worked with a Russian translator and former student of Frank's Marina Brodskaya to compile the lectures some of which Frank had written out in their entirety others for which he left extensive notes The book will contain a preface introduction seven chapters each containing one or two lectures on a major work and lists of further reading and stage and screen adaptations of Dostoevsky's works Each lecture is about 4 000 words and is written in a conversational style that is accessible for undergraduates but also demonstrates Frank's unparalleled knowledge of the Russian author and his world providing wide ranging literary and historical context The editors include notes to explain references and allusions The book also will include some images of Joseph Frank Dostoevsky a couple of artworks discussed in the lectures and a sample of Frank's handwritten lecture notes

Dostoevsky in the Arts and Beyond Olga Tabachinkova, Liudmila Saraskina, Galima Lukina, Ekaterina Salnikova, 2024-08-30 The book is a substantial contribution to international Dostoevsky research exploring Dostoevsky's contemporary relevance from a multicultural and multidisciplinary perspective It offers some fresh readings of Dostoevsky's texts presenting new complex studies on the writer and his works in the mirror of several arts of the last three decades The book is divided into three Parts featuring researchers from Bulgaria Great Britain Russia and Ukraine Part One deals with conceptual issues treating Dostoevsky above all as a prophet and philosopher and thus determines the ideological system of coordinates for the studies presented in the rest of the book Part Two examines Dostoevsky's legacy through the lenses of literary theory music and Illustration art and Part Three via world cinema and theatre The volume has gathered together an array of original and innovative studies from world leading experts in Dostoevsky's creative universe to make an authoritative input into the field

Dostoevsky P. H. Brazier, 2016-06-02 As a writer and prophet Dostoevsky was no academic theologian yet his writings are deeply theological his life beliefs even his epilepsy all had a role in generating his theology and eschatology Dostoevsky's novels are riven with paradoxes are deeply dialectical and represent a criticism of religion offered in the service of the gospel In this task he presented a profound understanding and portrait of humanity Dostoevsky's novels chart the movement of the human into death either the movement through paradox and Christlikeness

into Christ's cross a soteriology often characterized by the apophatic negation and self-denial what we may term the Mark of Abel leading to salvation and resurrection or conversely the movement of those who refuse Christ's invitation to be redeemed and continue to fall into a self-willed death and a self-generated hell the Mark of Cain This eschatology becomes a theological axiom which he unceasingly warned people of in his mature works Startlingly original stripped of all religious pretence some prostitutes and criminals might just have a better understanding of salvation than some of the pietistic wealthy and cultured classes Dostoevsky as a prophet forewarned of the politicized humanistic delusions of the twentieth century a prophet crying out through the wilderness

Another Freedom Svetlana Boym, 2018-07-02 The word freedom is so overly used and frequently abused that it is always in danger of becoming nothing but a cliché In *Another Freedom* Svetlana Boym offers us a refreshing new portrait of the age-old concept Exploring the rich cross-cultural history of the idea of freedom from its origins in ancient Greece to the present day she argues that our attempts to imagine freedom should occupy the space of not only what is but also what if Beginning with notions of sacrifice and the emergence of a public sphere for politics and art Boym expands her account to include the relationships between freedom and liberation modernity and terror and political dissent and creative estrangement While depicting a world of differences she affirms lasting solidarities based on the commitment to the passionate thinking that reflections on freedom require To do so Boym assembles a remarkable cast of characters Aeschylus and Euripides Kafka and Mandelstam Arendt and Heidegger and a virtual encounter between Dostoevsky and Marx on the streets of Paris By offering a fresh look at the strange history of this idea *Another Freedom* delivers a nuanced portrait of freedom one whose repercussions will be felt well into the future

Exile David Patterson, 2021-12-14 The life of a human community rests on common experience Yet in modern life there is an experience common to all that threatens the very basis of community the experience of exile No one in the modern world has been spared the encounter with homelessness Refugees and fugitives the disillusioned and disenfranchised grow in number every day Why does it happen What does it mean And how are we implicated David Patterson responds to these and related questions by examining exile a primary motif in Russian thought over the last century and a half By exile he means not only a form of punishment but an existential condition Drawing on texts by such familiar figures as Dostoevsky Tolstoy Solzhenitsyn and Brodsky as well as less thoroughly examined figures including Florensky Shestov Tertz and Gendelev Patterson moves beyond the political and geographical fact of exile to explore its spiritual metaphysical and linguistic aspects Thus he pursues the connections between exile and identity identity and meaning meaning and language Patterson shows that the problem of meaning in human life is a problem of homelessness that the effort to return from exile is an effort to return meaning to the word and that the exile of the word is an exile of the human being By making unheard voices from the Russian wilderness Patterson makes visible the wilderness of the world

Dostoevsky's Political Thought Richard Avramenko, Lee Trepanier, 2013-05-23 Recognized as one of the greatest novelists of all time Fyodor Dostoevsky continues to inspire and instigate questions about

religion philosophy and literature However there has been a neglect looking at his political thought its philosophical and religious foundations its role in nineteenth century Europe and its relevance for us today Dostoevsky s Political Thought explores Dostoevsky s political thought in his fictional and nonfictional works with contributions from scholars of political science philosophy history and Russian Studies From a variety of perspectives these scholars contribute to a greater understanding of Dostoevsky not only as a political thinker but also as a writer philosopher and religious thinker **Barth and Dostoevsky** P. H. Brazier,2008-04-01 A work of historic and systematic theology Barth and Dostoevsky examines the influence of the Russian writer and prophet Fyodor Mikhailovich Dostoevsky on the Swiss theologian Karl Barth This is a study that demonstrates that the writings of Dostoevsky affected the development of the theology of Karl Barth This was an influence mediated by his friend and colleague Eduard Thurneysen and was in the form of a key element of Barth s thought his understanding of sin and grace Therefore this study explicates first the reading of Dostoevsky by Barth 1915 1916 and the influence on this understanding of sin and grace second a study of Eduard Thurneysen in so far as his life and work complements and influences Barth third Barth s illustrative use of Dostoevsky around 1918 1921 the period of the rewriting of his seminal commentary on Romans the bombshell on the playground of the theologians as Karl Adams put it
