Summer Up North:

One Summer Up North John Owens, 2020 A wordless picture book journey through the Boundary Waters canoeing and camping with a family as they encounter the northwoods wilderness in all its spectacular beauty It s a place of wordless wonder the wilderness of the Boundary Waters on the Minnesota Canada border Travel its vast distances canoe its streams and glacial lakes take shelter from rain under a rocky outcropping or in your tent camp in its vaulting forests as stars embroider the darkening sky Is this your first visit Or is it already your favorite destination Come along join a family of three as their journey unfolds picture by picture marking the changing light as the day passes the stillness before the gathering storm the shining waters everywhere rushing here quietly pooling there beckoning us ever onward into nature s infinite wildness one summer up north Shadow Fox Carlie Sorosiak, 2024-04-11 A beautiful story of loss and belonging all told through the eyes of a wild affectionate prickly fox who has a love of collecting shoes and not a small amount of magic From the bestselling author of *I Cosmo Bee* s family runs a lakeside inn offering rest and sustenance to weary travellers Bee s Nan has gone missing possibly drowned but Bee knows that can t be true And so does the hungry fox that her grandmother was feeding Shadow is cross that her supply of salmon has dried up and is determined to do something about it Soon both fox and child are on an adventure to find Nan uncover what s happening to all the secret islands on the Great Lake and learn just how far magical powers can take you In A Life Steve Goldberger, 2024-11-22 Steve Goldberger has been a working musician and recording artist for fifty plus years In his book *In a Life A Memoir Peppered with Stories of a Lucky Life in Music and Bum Ticker Adventures* Steve shares his personal stories from being in a country rock and bluegrass band called Black Creek in the 1970s and 80s to playing and working with all kinds of roots style musicians both Canadian and international in the Toronto and Niagara region He also reflects on his Jewish roots and recounts his experiences working in his family s business and coping with several health issues Scattered throughout his stories are those from some of his musician friends including such Canadian award winning and successful musicians as Bernie LaBarge Graham Lear Wendell Ferguson Jim Casson Penner MacKay and so on Steve was even blogging before blogging was a thing Back in 1998 after being diagnosed with an enlarged aorta that needed to be replaced he started the blog *The Bum Ticker* to chronicle his experience with open heart surgery receiving responses from people all over the world Some of the blog s humorous and scary excerpts are included in this book Music friendships dogs love sadness death humour joy and philosophical outlooks *In a Life* has it all **Baseball in Eau Claire** Jason Christopherson, 2003 Eau Claire has been a hotbed for amateur and professional baseball since the end of the Civil War Wisconsin s Chippewa Valley has had the honor of donning dozens of nationally known baseball stars in its uniforms most notably Hank Aaron as well as hosting thousands of other players who were stars in their own right With this collection of images author Jason Christopherson takes the reader on a journey in time through the eyes of a baseball fan Many of the images are from the collections of the players themselves and are therefore

available to the public for the first time in this book Mixed in with the images are stories and not just the kind you would find in the newspaper Unless of course your local paper runs stories such as the one on a future major leaguer who not knowing any better ate gravy laden pork chops with his bare hands on his first road trip Closure Rote Writer,2012-01-01 With that fleeting fancy passing he begins his second stint at putting his life down in print He transfers what s wildly written on paper onto his computer All his earned learned and yearned years of life rife with strife come alive on his computer Every morning he awakes with the next ten or so pages in his mind written the night before He writes like a man possessed and he is He s reliving every moment of his life through writ bit by bit and it s wild Each experience is pushed through the keys on the keyboard As it passes through him it feels like it s happening now Smells and scenes of days gone by are so lucid in his mind He feels physical reactions when writing them down His memory now is like a snowball rolling down a snow covered hill recanting every minute detail of his life He uses coffee as a stimulant It helps while writing every moment memory and feeling he has at every given point in his already lived life He s amazed how the memory stores absolutely everything including the five no make it six senses of every living moment of his life Timothy in Greek means honouring God He always envisions God as all knowing and all seeing and here he is realizing that truth His whole life no matter how tried and tested it s been has been seen It s been recorded with every single detail Not just the experiences themselves but every thought every forethought and afterthought All his words well from being He records every notion and emotion that arises Every pain every pleasure everything that can be imagined It s all there stored in his mind his heart his soul Even every sense has some kind of receptor that stores all his life s energy Every nuance and circumstance unfurls in swirls upon remembrance It s like his brain retains the remains of whatever whenever however He s sure somewhere deep in the recesses of his mind his passing through the birth canal is registered The whole experience is magnificent A beautiful possession Surely artists must feel this when inspired He is an artist He s experiencing what many in the field of creativity feel just maybe a little more than most He s so possessed he presumes he s to be a proud Pulitzer Prize winner For months he s self absorbed in the truest and purest way possible Fuelled by coffee tobacco and the momentum of what he s already written he continues to vent until he s spent He then transfers his entire existence electronically from his computer onto paper by way of his prehistoric printer When he prints out all he s written he s stupefied to see the storyline literally has a line drawn as in dashed if not gashed through each word of each sentence of each page More than 98 000 words of an abridged attempt at documenting his life is ruined When he tries to read what s printed out he suffers vertigo or something It s hard to decipher or make out what s written with an unwanted line drawn through his life It s as if it was done deliberately to cross it all out Perhaps the universe has no plans at present for his life to be in print It sure seems so A Memoir A Trilogy Part I If You Could Change One Thing Part II Bind Nothing Part III Closure Zofia Maurice Biron,2003-05-21 Writing a book is no easy task as a beginner or at a later stage of your life also trying to provide biographical information about yourself for family and friends in a readable fashion without

the benefit of professional support makes the task even more formidable Again it was a challenge but Zofia has produced something for a legacy Consider it a work in progress and enjoy her outline of events from birth in East Germany to the Nazi years and loss of home and love and then to a new life and love in Canada *The Dream is Alive* Christian Braun,Ariane Micheelsen,2025-08-06 Christian Braun raised on the sun soaked island of Ibiza built a thriving business empire but struggles to balance work family and freedom Burnt out and yearning for meaning he turns to his lifelong passion for sailing Together with his wife Sil and their sons Noah and Cosmo Christian embarks on a transformative journey across the Atlantic aboard their beloved boat Paz This is not just a tale of high seas adventure it s a story of resilience love and rediscovering dreams Set against the vibrant backdrop of Ibiza *The Dream is Alive* explores the challenges of success the strength of family and the pursuit of a life true to one s heart Ernest Hemingway Mary Dearborn,2018-09-11 Incorporating fascinating new research Mary Dearborn s revelatory investigation of Hemingway s life and work substantially deepens our understanding of the artist and the man A St Louis Post Dispatch Best Book of the Year The most fully faceted portrait of Hemingway now available The Washington Post draws on a wide array of never before used material resulting in the most nuanced biography to date of this complex enigmatic artist Considered in his time the greatest living American writer Hemingway was a winner of the Pulitzer Prize and the Nobel Prize whose personal demons undid him in the end and whose novels and stories have influenced the writing of fiction for generations after his death If You Were Only White Donald Spivey,2012-05-14 If You Were Only White explores the legacy of one of the most exceptional athletes ever an entertainer extraordinaire a daring showman and crowd pleaser a wizard with a baseball whose artistry and antics on the mound brought fans out in the thousands to ballparks across the country Leroy Satchel Paige was arguably one of the world s greatest pitchers and a premier star of Negro Leagues Baseball But in this biography Donald Spivey reveals Paige to have been much more than just a blazing fastball pitcher Spivey follows Paige from his birth in Alabama in 1906 to his death in Kansas City in 1982 detailing the challenges Paige faced battling the color line in America and recounting his tests and triumphs in baseball He also opens up Paige s private life during and after his playing days introducing readers to the man who extended his social cultural and political reach beyond the limitations associated with his humble background and upbringing This other Paige was a gifted public speaker a talented musician and singer an excellent cook and a passionate outdoorsman among other things Paige s life intertwined with many of the most important issues of the times in U S and African American history including the continuation of the New Negro Movement and the struggle for civil rights Spivey incorporates interviews with former teammates conducted over twelve years as well as exclusive interviews with Paige s son Robert daughter Pamela Ted Double Duty Radcliffe and John Buck O Neil to tell the story of a pioneer who helped transform America through the nation s favorite pastime Maintaining an image somewhere between Joe Louis s public humility and the flamboyant aggression of Jack Johnson Paige pushed the boundaries of segregation and bridged the racial divide with stellar pitching packaged with slapstick humor

He entertained as he played to win and saw no contradiction in doing so Game after game his performance refuted the lie that black baseball was inferior to white baseball His was a contribution to civil rights of a different kind his speeches and demonstrations expressed through his performance on the mound
