

Sun Mountain A Comstock Novel

Richard S. Wheeler

Sun Mountain A Comstock Novel:

Sun Mountain Richard S. Wheeler, 2002-08-19 Drawn to Virginia City Nevada and its Comstock Lode in the early 1860s journalist Henry Stoddard mingles with mining titans speculators and bankers as well as the men who descend into the dark earth to wrest the gold riches from it Among those he meets are a young Missourian named Sam Clemens a reporter for the Territorial Enterprise who would transform himself into Mark Twain August **Sun Mountain** Richard S. Wheeler, 2002-08-19 There had never been a place like the Comstock or a city like Virginia or a gathering of brilliant men such as those who assembled there So writes Henry Stoddard in Richard Wheeler's unforgettable novel as memoir of Virginia City the most spectacular boomtown ever seen in the West Drawn to fabled Virginia City and its Comstock Lode in the early 1860s journalist Henry Stoddard brushed shoulders with mining titans speculators and bankers the people who built fortunes from the amazing mines as well as the men who went down into the bowels of the earth to wrest the riches from it working in the hellish heat for 4 a week Also among Stoddard's acquaintances was a young Missourian named Sam Clemens who prospered in Virginia City as a reporter for the Enterprise and would later transform himself into Mark Twain Henry Stoddard is fictional the story however is true perhaps the most astonishing true story of the American West *The Richest Hill on Earth* Richard S. Wheeler, 2011-12-06 In this captivating historical novel six time Spur Award winner Richard S. Wheeler turns his storyteller's eye to a clash of towering ambitions in the American West when the Copper Kings of Butte Montana wrestled each other for control of both the richest hill on earth and Montana's fledgling government The city of Butte looks like a cancerous mangle of smoky mine boilers and rudely constructed sheds when newspaperman John Fellowes Hall arrives on a cold spring day in 1892 Butte may be ugly but it's the place to get rich It's also a city full of stories perfect for a journalist looking to make a name for himself As an employee of mining titan William Andrews Clark Hall becomes a part of the best story of them all the fight among the Copper Kings Butte's three founding fathers were remarkable men with little in common other than ambition Marcus Daly a humble Irish immigrant led the Anaconda Copper Mining Company His political rival the formidable William Andrews Clark a brilliant but vain businessman bought himself a United States Senate seat And Augustus Heinze tried to steal the mines using lawyers and bribed judges only to be crushed by the Rockefellers *The Richest Hill on Earth* captures their struggle as well as the stories of the ordinary people the miners their wives and children the journalists and even the psychics trying to make their fortunes in the rapidly changing West *The Richest Hill of Earth* is a Kirkus Reviews Best of 2011 Historical Fiction title At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **The Bonanza King** Gregory Crouch, 2018-06-19 A monumentally researched biography of one of the nineteenth century's wealthiest self-made Americans Well written and worthwhile *The Wall Street Journal* it's the rags to riches frontier tale of an Irish immigrant who outwits outworks and outmaneuvers thousands of rivals to take control of Nevada's Comstock Lode Born in 1831 John W Mackay was a penniless Irish immigrant who came of age in

New York City went to California during the Gold Rush and mined without much luck for eight years. When he heard of riches found on the other side of the Sierra Nevada Mountains in 1859, Mackay abandoned his claim and walked a hundred miles to the Comstock Lode in Nevada. Over the course of the next dozen years, Mackay worked his way up from nothing, thwarting the pernicious Bank Ring monopoly to seize control of the most concentrated cache of precious metals ever found on earth: the legendary Big Bonanza, a stupendously rich body of gold and silver ore discovered 1,500 feet beneath the streets of Virginia City, the ultimate Old West boomtown. But for the ore to be worth anything, it had to be found, claimed, and successfully extracted, each step requiring enormous risk and the creation of an entirely new industry. Now Gregory Crouch tells Mackay's amazing story: how he extracted the ore from deep underground and used his vast mining fortune to crush the transatlantic telegraph monopoly of the notorious Jay Gould. No one does a better job than Crouch when he explores the subject of mining, and no one does a better job than he when he describes the hardscrabble lives of miners. *San Francisco Chronicle*. Featuring great period photographs and maps, *The Bonanza King* is a dazzling tour de force, a riveting history of Virginia City, Nevada, the Comstock Lode, and America itself. *The Owl Hunt* Richard S. Wheeler, 2025-10-16. The latest in the long running tale of the beloved mountain man Barnaby Skye occurs early in the history of the Wind River Reservation in Wyoming, where Skye's mixed blood son Dirk teaches school. A total eclipse of the sun panics the Shoshones and leads a dour fifteen year old boy to rename himself Owl, the most dreaded of all totemic birds. He begins to stir discontent, teaching a doctrine of freedom from white men and giving the Shoshones a new dance. Owl takes his vision of returning to the old ways, free of reservation life, to the people. The Indian agent and soldiers react violently, see insurrection and subversion in it. Dirk, his own two bloods warring, tries to mediate and only alienates the army, the Indian Bureau, and the Shoshones. But only Dirk Skye can prevent a massacre. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *The Canyon of Bones* Richard S. Wheeler, 2008-01-02. Barnaby Skye acts as a guide to a wealthy Englishman who wants to see the wonders of the Missouri River Valley. *The Canyon of Bones and North Star* Richard S. Wheeler, 2018-12-31. Two Skye's West novels by Spur Award winner and legendary Western writer Richard S. Wheeler in one volume. The Canyon of Bones: Mountain man Barnaby Skye takes work guiding wealthy Englishman Graves Mercer on an exploration of the Yellowstone and Missouri River valleys. Mercer has come to the American wilderness seeking thrilling, preferably salacious material for British tabloids. He takes an ancient bone that's sacred among certain tribes, and the act may cost the party their lives. North Star: Barnaby Skye faces radical change as the wilderness vanishes, buffalo are slaughtered, and the government puts the tribes on reservation land. His family's struggle to adapt takes them from Montana to Wyoming, wrestling with the tide of settlers and the new settlements that dot the western plains and mountains. **The Fire Arrow** Richard S. Wheeler, 2025-08-22. Barnaby Skye, the most durable and unforgettable character in modern Western fiction, returns in this harrowing tale of survival from his early years in the Rockies. In the midst of a brutal winter, Skye's beloved Crow Indian wife

Victoria is critically wounded when a Blackfeet raiding party attacks a Crow hunting camp. Despite Skye's attempts at doctoring Victoria, her life hangs in the balance as the two left alone in the frozen wilderness struggle to survive cold and starvation. Miraculously, an old mare and her foal wander into their camp. Victoria believes they have been sent by her spirit guide and finds the strength to ride. Skye and his wife make their way toward Victoria's home village on the Musselshell River. Breaking winter trail is a slow and laborious process, but at the end of the journey they will find peace. Or will they? Skye's love of whiskey puts his life and Victoria's in peril when they encounter a renegade band of Yankee traders taking a wagon load of cheap and poisonous raw alcohol to trade among the Indians. Their leader, a former West Point officer, forces Skye to guide them, but all the while the legendary mountain man plots to ruin their deadly enterprise. In *The Fire Arrow*, Richard S. Wheeler has fashioned an unforgettable tale of love and survival in the unforgiving wilderness of the American West. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **The Deliverance** Richard S. Wheeler, 2005-01-10. At Bent's Fort Barnaby, Skye and his wife agree to rescue Cheyenne children kidnapped by the Utes with the help of one Colonel Childress and his spider monkey. *Virgin River* Richard S. Wheeler, 2008-03-04. Barnaby Skye agrees to guide a wagon train of seriously ill children through the desert in hopes of a cure. He must deal with other immigrant trains that fear the plague and angry Mormon settlements in conflict with the government over polygamy.

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Sun Mountain A Comstock Novel** .
