Sun Of Medusa:

Medusa's Son Ian Mitchell-Gill, 2024-02-14 Imagine living your whole life without knowing who you really are Walt Baranov is barely old enough to enter the Russian nightclub where he has an unfortunate encounter with a beautiful vampire The shocking events after he is bitten start a maelstrom that engulfs the entire world The powers that be move on his discovery and Walt finds himself confined to a state of the art laboratory Understanding his extraordinary biology is the key to eradicating vampires all over the world He makes a connection with a lab subject and will do anything to save her from certain death Walt sees her humanity when nobody else can Not helping matters are the vampires of the world who are frantic to find and eliminate the young man named in their prophecy of doom Walt must outmaneuver the Russians Americans vampires and even the Yakuza to save the young woman who has come to mean so much to him It all comes down to a deadly showdown between monsters and military forces in the beautiful Alps of Japan The outcome is one that could not be predicted and the vampires have a new nemesis to fear The tale of Medusa s Son is one of mystery adventure suspense and more than a few surprises Join Walt on his journey to find out who he is and how to undo the chaos his discovery has caused

Medusa's Gaze Marina Belozerskaya, 2012-09-04 Medusa s Gaze provides the first dedicated account of the origins and extraordinary survival of an exquisite agate bowl from ancient Alexandria to the modern day as it passed through the hands of some of history s most influential and colorful characters *The Nation* ,1911 **Medusa's Ear** Dawne McCance, 2012-02-01 In traditional mythology and iconography Medusa s killing powers are attributed to visual means the monster is slain for her looks and her effect is to kill men for looking at her Challenging the familiar account of the modern era as ocularcentric this book reads the Medusa effect on the philosophy of the modern research university as rooted in an audiocentric fantasy Author Dawne McCance links phonocentrism to an aural imaginary by tracking the trope and terror of the deaf ear and mute mouth in the discourse on the university that was inaugurated by Kant and that extends through Hegel and Heidegger to the present She shows how repeatedly in founding texts on the modern research university the philosopher s fearful recoil from an animal female figure that he defines as deaf and dumb has the effect the Medusa effect of cutting off his own and therefore the institution s ear and tongue McCance also considers some recent efforts to shake the modern institution out of its Medusa effect petrification

Medusa's Mirrors Julia M. Walker, 1998 The question of selfhood in Renaissance texts constitutes a scholarly and critical debate of almost unmanageable proportions The author of this work begins by questioning the strategies with which male writers depict powerful women Although Spenser s Britomart Shakespeare s Cleopatra and Milton s Eve figure selfhood very differently and to very different ends they do have two significant elements in common mirrors and transformations that diminish the power of the female self **Companion to Literary Myths, Heroes and Archetypes** Pierre Brunel, 2015-07-30 First published in French in 1988 and in English in 1992 this companion explores the nature of the literary myth in a collection of over 100 essays from Abraham to Zoroaster Its

coverage is international and draws on legends from prehistory to the modern age throughout literature whether fiction poetry or drama Essays on classical figures as well as later myths explore the origin development and various incarnations of their subjects Alongside entries on western archetypes are analyses of non European myths from across the world including Africa China Japan Latin America and India This book will be indispensable for students and teachers of literature history and cultural studies as well as anyone interested in the fascinating world of mythology A detailed bibliography and index are included The Companion provides a fine interpretive road map to Western culture s use of archetypal stories Wilson Library Review It certainly is a comprehensive volume extremely useful Times Higher Education Supplement

I Am a Beautiful Monster Francis Picabia, 2012-02-10 The first definitive edition in English of writings by poet painter pickpocket plagiarist and consummate anti artist Francis Picabia one of Dada s leading figures Poet painter self described funny guy idiot failure pickpocket and anti artist par excellence Francis Picabia was a defining figure in the Dada movement indeed Andr Breton called Picabia one of the only true Dadas Yet very little of Picabia s poetry and prose has been translated into English and his literary experiments have never been the subject of close critical study *I Am a Beautiful Monster* is the first definitive edition in English of Picabia s writings gathering a sizable array of Picabia s poetry and prose and most importantly providing a critical context for it with an extensive introduction and detailed notes by the translator Picabia s poetry and prose is belligerent abstract polemical radical and sometimes simply baffling For too long Picabia s writings have been presented as raw events rule breaking manifestations of inspirational carpe diem This book reveals them to be something entirely different maddening in their resistance to meaning full of outrageous posturing and hiding a frail confused and fitful personality behind egoistic bravura *I Am a Beautiful Monster* provides the texts of Picabia s significant publications all presented complete many of them accompanied by their original illustrations

Sun of Medusa Robert Steven Calvert, 2005-06-01 Medusa Ohio is a village with a dark and sullied past a town where evil breeds like flies and death prowls rabid through the streets Outsiders mock it reporters scorn it and wary travelers avoid it And if it plunged into a sinkhole few would mourn its sudden death But when an angelic teenage healer shines his light into the gloom a struggling journalist is sent to judge a realm that few can grasp Estranged from God and chased by love a love he fears to fully embrace he finds that truth is sometimes colored by our past and our pain

The True Story of the Novel Margaret Anne Doody, 1996 An erudite intelligent and imaginative work of literary scholarship With vivacity grace and wit Doody traces the history of the novel from the ancient novels of Apuleius and Heliodorus through the Renaissance fictions of Boccaccio Cervantes and Rabelais to the official birth of the novel in 18th century England BOSTON GLOBE 39 illustrations

Myth in the Modern World David Whitt, John Perlich, 2014-04-04 Ubiquitous and enduring myths are an inherent part of culture These 10 essays explore the role of myth in the modern world delving not only into science fiction and fantasy but also into sport terrorist rhetoric and television Contributors contemplate the changing face of the hero in *Breaking Bad* *Justified* and the Japanese film trilogy

20th Century Boys explore ideology in George R R Martin's A Song of Fire and Ice novels and the HBO series Game of Thrones Showtime's The L Word and The Day the Earth Stood Still and examine Al Qaeda's use of myth to justify its violent actions Other essays consider the hero ideal in sport the wolf myth in Twilight and the comic persona of Hercules in the Travel Channel series Man v Food The power of myth this volume reveals extends beyond ancient stories of gods and heroes to express the hopes fears and reality of everyday life
