Hirshson,1998-09-07 Extraordinarily readable Paul D Casdorph author of Jackson and Lee Best remembered as the man who burned Atlanta and marched his army to the sea cutting a swath of destruction through Georgia William Tecumseh Sherman remains one of the most vital figures in Civil War annals In The White Tecumseh Stanley Hirshson has crafted a beautiful and rigorous work of scholarship the only life of Sherman to draw on regimental histories and testimonies by the general s own men What emerges is a landmark portrait of a brilliant but tormented soul haunted by a family legacy of mental illness and relentlessly driven to realize a powerful military ambition Sympathetic yet excellent insight into how Sherman s own troops felt about him and his relationships with fellow generals especially Grant Highly recommended Library Journal **The War Outside My Window** Janet Elizabeth Croon,2022-05-20 A remarkable account of the collapse of the Old South and the final years of a young boy s privileged but afflicted life LeRoy Wiley Gresham was born in 1847 to an affluent slave holding family in Macon Georgia After a horrific leg injury left him an invalid the educated inquisitive perceptive and exceptionally witty twelve year old began keeping a diary in 1860 just as secession and the Civil War began tearing the country and his world apart He continued to write even as his health deteriorated until both the war and his life ended in 1865 His unique manuscript of the demise of the Old South is published here for the first time in The War Outside My Window LeRoy read books devoured newspapers and magazines listened to gossip and discussed and debated important social and military issues with his parents and others He wrote daily for five years putting pen to paper with a vim and tongue in cheek vigor that impresses even now more than 150 years later His practical philosophical and occasionally Twain like hilarious observations cover politics and the secession movement the long and increasingly

destructive Civil War family pets a wide variety of hobbies and interests and what life was like at the center of a socially prominent wealthy family in the important Confederate manufacturing center of Macon The young scribe often voiced concern about the family s pair of plantations outside town and recorded his interactions and relationships with servants as he pondered the fate of human bondage and his family s declining fortunes Unbeknownst to LeRoy he was chronicling his own slow and painful descent toward death in tandem with the demise of the Southern Confederacy He recorded often in horrific detail an increasingly painful and debilitating disease that robbed him of his childhood The teenager s declining health is a consistent thread coursing through his fascinating journals I feel more discouraged and less hopeful about getting well than I ever did before he wrote on March 17 1863 I am weaker and more helpless than I ever was Morphine and a score of other remedies did little to ease his suffering Abscesses developed nagging coughs and pain consumed him Alternating between bouts of euphoria and despondency he often wrote Saw off my leg The War Outside My Window edited and annotated by Janet Croon with helpful footnotes and a detailed family biographical chart captures the spirit and the character of a young privileged white teenager witnessing the demise of his world even as his own body slowly failed him Just as Anne Frank has come down to us as the adolescent voice of World War II LeRoy Gresham will now be remembered as the young voice of the Civil War South Winner 2018 The Douglas Southall Freeman Award *Southern Historical Society Papers* Southern Historical Society, 1917
