Sunday School Doorway To Church Growth:

The Book of Church Growth Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't *God's Plan for the Church-Growth!* Michael Hamilton, 1981 **Sunday School** Ralph McIntyre (L.), 1980 *Built by the Owner's Design* Danny Von Kanel, 2002 Built By The Owner's Design invites you into the drawing room of the Master Designer to examine His blueprints for evangelism and church growth Employing the plumb line of God's Word this book makes it clear that God's way of growth and outreach is most effective Danny Von Kanel draws on a careful analysis of more than 50 churches in three denominations to offer a proven framework that can support lasting growth in diverse situations Several checklists are included to help you systematically evaluate your situation and develop a tailor made growth plan Grounded in solid research and Von Kanel's own experience in several growing ministries this immensely practical resource belongs in every pastor's library **The Sunday-school World**, 1898 *Church Growth Through the Sunday School* John T. Sisemore, 1983 **I Knock at the Door** Sean O'Casey, 1986 THE STORY Six actors bring the sad pithy boyhood of John Casside O'Casey into quick and sensitive focus His strong resigned mother his impetuous groping sister the friends and enemies of his Dublin childhood and Johnny himself are gems of Biblical Church Growth Gary L. McIntosh, 2003-05-01 Every pastor wants to have a vibrant dynamic church There are many popular models for church growth based on outstanding churches led by outstanding pastors But unfortunately specific models are temporary and go out of style quickly Author Gary McIntosh explores the biblical principles for church growth and applies them to today's culture Instead of concentrating on the ephemeral how of church growth he focuses on the unchanging why McIntosh defines church growth as all that is involved in bringing men and women who do not have a personal relationship with Jesus Christ into fellowship with him and into responsible church membership In other words church growth is effective evangelism not a methodology for increasing membership According to Biblical Church Growth growing churches always evidence a desire to fulfill the Great Commission by cooperating with God in building a faithful church Using personal stories and current statistics as well as numerous biblical examples the author sets forth ten basic principles that provide an eternal foundation for helping any church large or small achieve lasting vitality and growth *Homiletic Review*, 1907 **Metropolitan Pulpit and Homiletic Monthly**, 1907
