White America Charles Rodmon,2021-04-15 BLURB Charles I Rodmon served in the US Army from 1972 1981 He is a disabled veteran Married with two children He was born in Bushnell Florida His wife is German he met her at seventeen They have been together ever since His belief is God created us with love With today s movement guided by Black Lives Matter White people and for some unknown reason some Blacks either do not understand His book explains why Black lives matter White America challenges your mind and your beliefs in God He wrote White America to make you the reader think Understand why Blacks feel our lives do not matter **Fear of Crime** Greta W. Salem,2017-07-28 Most studies of fear of crime assume that is rimarily induced by direct or indirect contact with a criminal event Consequently programs designed to deal with this problem focus on either increased police protection or a number of crime prevention programs In this study Dan A Lewis and Greta W Salem raise questions both about the validity of these assumptions and the effectiveness of the programs A five year investigation has led the authors to challenge those theories that focus only on the psychological responses to victimizations and fail to take into account the social and political environments within which such fears are shaped and nurtured Explicitly laying out a social control perspective which informs their research and analysis the authors examine the fear of crime in ten neighborhoods in Chicago San Francisco and Philadelphia which represent the range of communities typically found in urban areas On the basis of their analysis the authors contend that fear of crime is not related to exposure or knowledge about criminal events alone but also stems from residents concerns about broad changes taking place in their neighborhoods Many people they argue are afraid not only because crime occurs but also because they believe that they have lost control over the environment in which they live Lewis and Salem conclude that the eradication of fear of crime requires strategies that move beyond the traditional crime prevention programs to consider ways to restore the control that community residents feel they have lost and the possibilities for a more equitable distribution of security in urban areas

California (State)., *Israel and the Covenants in New Testament Times* Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that National Direct Student Loans and Federal Perkins Loans Directory of Designated Low-income Schools for Teacher Cancellation Benefits ,1991
