Sunshine And Dark Clouds:

Sunshine and Dark Clouds James A. Logue,1988-03 Sunshine on the Horizon Peggy M. Ridge Oliver,2010-10-01 This book is about me and the adversity that he has beset me in this community due to my diagnosed mental illness and my advocacy for the mentally ill Many of the poems come from life experiences in the past and absorb the reality of death There were days when no one encouraged me many ignored me and others talked about me This weaved in and out of the poetry when I felt this pain and wrote it out in my poetry There are also poems relating to nature that revive my mind and inspires me to continue on America is in some of my poems and how I feel that a nation has come so far but up at a standstill now I listen to the news everyday because when I graduated in 1963 that was what we were told to do keep up with the news because the world would get smaller and my poetry reflects what is going on in the world today This book is a combination of adversity nature death and world conflict And I think all can relate to my book in diverse ways **Famous Hymns** Daniel Brink Towner,Edwin Othello Excell,1907 **Observations Made at the Magnetical and Meteorological Observatory at Trinity College, Dublin** Magnetical and Meteorological Observatory (Dublin),1865 Bulletin National Institutes of Health (U.S.),1916 **More wayside talks with boys and girls on Sunday afternoons, by E.W.W.** E W.
