Lofdoc's Stories: Short and Sweet Lofdoc, 2014-02-17 The stories that I offer you are a veritable peek into the nonchalant relaxed world of the Author Lofdoc In contrast to the previous two books that have much emotional and personal confessions book one Medical and personal views and many stories about animals nature and mystery stories Book two Fish Tales and stories of the unusual this third book An Octogenarians Oracles is written in a clear unbiased friendly sort of way There are stories that are nostalgic Willow trees there are stories that reflect and admonish Regrets and there are just plain fun to read stories water skiing smile please use it or lose it Over all the book has many stories that will prompt comments such as Yeah I remember seeing that or prompt a sighing reader to comment these stories are true oh so

true And so dear readers I have given you my very best efforts I have tried to put in print almost all elements that characterize my life on this planet To this end I have incorporated all three books into a Trilogy titled LOFDOCS STORIES SHORT AND SWEET Book one subtitle Medical and personal views Book two Fish tales and stories of the Unusual Book three An Octogenarians Oracles I Lofdoc Lots of fishing Doc an 87 year old Octogenarian hope you will enjoy my humble efforts as much as I have enjoyed writing them

LofDoc: The Story Teller LofDoc,2019-07-03 This my book LOFDOC THE STORYTELLER is different than most tomes that you may have encountered It is different because it is a veritable smorgasbord of juicy subjects that I had encountered over the past 92 years of life on this planet and I feel comfortable and privileged to share these many stories with you Over the past many years I have encountered many situations that have made me laugh and some that made me cry I have reflected those emotions in a wholesome manner in my stories that will allow you the reader a few moments to share those treasured moments of the past with me We will relive my 67th wedding anniversaries happiness when we read THE FOREVER DAY we will re experience my early years frustrations when learning to water ski and sadly we will cry when we learn about the trials and tribulations of Alzheimer's disease

The Talmud Barry Scott Wimpfheimer,2020-09 The Babylonian Talmud a postbiblical Jewish text that is part scripture and part commentary is an unlikely bestseller Written in a hybrid of Hebrew and Aramaic it is often ambiguous to the point of incomprehension and its subject matter reflects a narrow scholasticism that should hardly have broad appeal Yet the Talmud has remained in print for centuries and is more popular today than ever Barry Scott Wimpfheimer tells the remarkable story of this ancient Jewish book and explains why it has endured for almost two millennia 0Providing a concise biography of this quintessential work of rabbinic Judaism Wimpfheimer takes readers from the Talmud's prehistory in biblical and second temple Judaism to its present day use as a source of religious ideology a model of different modes of rationality and a totem of cultural identity He describes the book's origins and structure its centrality to Jewish law its mixed reception history and its golden renaissance in modernity He explains why reading the Talmud can feel like being swept up in a river or lost in a maze and why the Talmud has come to be venerated but also excoriated and maligned in the centuries since it first appeared 0An incomparable introduction to a work of literature that has lived a full and varied life this accessible book shows why the Talmud is at once a received source of traditional teachings a touchstone of cultural authority and a powerful symbol of Jewishness for both supporters and critics
