Carter,2015-04-15 With the same straightforward honesty that made her one of country s top selling female recording artists Reba McEntire tells her phenomenal story From her childhood in Oklahoma working cattle with her ranching family to her days on the rodeo competition circuit from her early days as a performer in honky tonks to her many awards and a sold out appearance at Carnegie Hall Reba relates her experiences with heartfelt emotion and down to earth humor With the same warmth and generous spirit that infuses her music she introduces us to the most important people in her life the family and friends who sustain her and the musicians and producers who have inspired her and helped her realize her artistic vision With great poignancy she also recounts the lowest points of her life the breakup of her first marriage and the plane crash that took the lives of eight of her band members and the highest her remarriage and the birth of her son Shelby Her story is not only a chronicle of a remarkable life but a vivid testament of unshakable determination and faith in God Reba My Story is an intimate portrait of one of America s most beloved and successful entertainers NOTE This edition does not include a photo insert **Don't Follow Your Heart** Thaddeus J. experiences and desires always fails to deliver on its promise of happiness Today we are told to be true to ourselves look within for answers and follow our hearts But when we put our own happiness first we experience record breaking levels of

aimlessness loneliness depression and anxiety Self centeredness always fails to deliver the fulfillment we're seeking In Don't Follow Your Heart Thaddeus Williams debunks the ten commandments of self worship which include popular propaganda like live your best life Thou shalt always act in accord with your chief end to glorify and enjoy yourself forever follow your heart Thou shalt obey your emotions at all costs yolo Thou shalt pursue the rush of boundary free experience Williams builds a case that this type of self worship is not authentic satisfying or edgy Instead it's rehashing what is literally humanity's oldest lie He calls on a new generation of mavericks and renegades heretics who refuse to march in unison with the self obsessed herd With a fascinating blend of theology philosophy science psychology and pop culture Williams points us to a life beyond self defeating dogmas to a more meaningful life centered on Someone infinitely more interesting satisfying and awesome than ourselves Featuring stories from Carl Trueman Joni Eareckson Tada J P Moreland Josh McDowell Alisa Childers and more Following the herd is leading our generation off a cliff Maybe a little heresy can do us a lot of good Collin Hansen **Jimmy**
