story of the English speaking peoples in the 20th century Winston Churchill s History of the English Speaking Peoples ended
in 1900 Andrew Roberts Wolfson History prizewinner has been inspired by Churchill s example to write the story of the 20th
century Churchill wrote Every nation or group of nations has its own tale to tell Knowledge of the trials and struggles is
necessary to all who would comprehend the problems perils challenges and opportunities which confront us today It is in the
hope that contemplation of the trials and tribulations of our forefathers may not only fortify the English speaking peoples of
today but also play some small part in uniting the whole world that I present this account As the greatest of all the trials and
tribulations of the English speaking peoples took place in the twentieth century Roberts book covers the four world historical
struggles in which the English speaking peoples have been engaged the wars against German Nationalism Axis Fascism
Soviet Communism and now the War against Terror But just as Churchill did in his four volumes Roberts also deals with the
cultural social and political history of the English global diaspora
