The Nibelungenlied

Neil Thomas

The Nibelungenlied:

The Nibelungenlied ,2010-02-11 In ancient tales many marvels are told us now you may hear such marvels told The greatest of the heroic epics to emerge from medieval Germany the Nibelungenlied is a revenge saga of sweeping dimensions It tells of the dragon slayer Sivrit and the mysterious kingdom of the Nibelungs with its priceless treasure hoard guarded by dwarves and giants of Pr nhilt the Amazonian queen fortune telling water sprites and a cloak of invisibility Driven by the conflict between Kriemhilt the innocent maiden turned she devil and her antagonist the stoic indomitable Hagen the story is one of human tragedy of love jealousy murder and revenge ending in slaughter on a horrific scale The work of an anonymous poet of c 1200 since its rediscovery in the eighteenth century the Nibelungenlied has come to be regarded as the national epic of the Germans It has inspired countless reworkings and adaptations including two masterpieces Fritz Lang s two part film and Richard Wagner s Ring cycle This is the first prose translation for over forty years accurate and compelling it is accompanied by a wealth of useful background information ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

A Companion to the Nibelungenlied Winder McConnell,1998 This Companion to the Nibelungenlied draws on the expertise of scholars from Germany Britain and the United States to offer the reader fresh perspectives on a wide variety of topics regarding the epic the latest theories regarding manuscript tradition authorship conflict combat and politics the Otherworld and its inhabitants eroticism in both the Nibelungenlied and Wagner s Ring the twentieth century reception both of the Nibelungenlied and of its most intriguing protagonist Kriemhild key concepts used by the poet the heroic feudal and courtly elements in the work and an analysis of archetypal elements from the perspective of Jungian psychology

The Nibelungenlied Edward Haymes,1986 The Song of the Nibelungs is an epic poem written around 1200 in Middle High German Its anonymous poet was likely from the region of Passau The Nibelungenlied is based on an oral tradition of Germanic heroic legend that has some of its origin in historic events and individuals of the 5th and 6th centuries and that spread throughout almost all of Germanic speaking Europe Parallels to the German poem from Scandinavia are found especially in the heroic lays of the Poetic Edda and in the V lsunga saga

Das Nibelungenlied ,2006-01-01 No poem in German literature is so well known and studied in Europe as the 800 year old Das Nibelungenlied In the English speaking world however the poem has remained little known languishing without an adequate translation This wonderful new translation by eminent translator Burton Raffel brings the epic poem to life in English for the first time rendering it in verse that does full justice to the original High Middle German His translation underscores the formal aspects of the poem and preserves its haunting beauty Often called the German Iliad Das Nibelungenlied is a heroic epic both national in character

and sweeping in scope The poem moves inexorably from romance through tragedy to holocaust It portrays the existential struggles and downfall of an entire people the Burgundians in a military conflict with the Huns and their King In his foreword to the book Michael Dirda observes the story could be easily updated to describe the downfall of a Mafia crime family something like The Godfather with swords The tremendous appeal of Das Nibelungenlied throughout the nineteenth and twentieth centuries is reflected in such works as Richard Wagner s opera tetralogy Der Ring des Nibelung Fritz Lang s two part film Die Nibelungen and more recently J R R Tolkien s The Lord of the Rings

Reading the Nibelungenlied Neil Thomas,1995 Reading the Nibelungenlied is an introduction to a German example of the heroic genre which provides an interpretative commentary aimed at students and readers with an interest in both medieval and modern receptions of the Nibelungen legends

The Nibelungenlied Hugo Bekker,1971-12-15 In the last fifty or so years there has been a gradual shift of attention in scholarship on the Nibelungenlied from reconstruction of the texts and tracings of the poem s multiple and complex antecedents to interpretation In spite of this trend there is still a pressing need for a critical analysis of the Nibelungenlied as a whole that draws together its various literary qualities and examines in detail the epic s unity depth and meaning Professor Bekker s study provides this kind of analysis It takes a fresh approach viewing the poem as a work of literary merit worthy to be read for its own sake It traces the new designs which the poet brings to the Nibelungen tradition and provides detailed examinations of the main aspects of technique and structure in the epic The approach is based on close consultation of the text with little digression in an attempt to guide the reader to an understanding and appreciation of the poem as the author intended it to be read Professor Bekker points out that the poet of the Nibelungenlied does not aim at psychological character delineation and deliberately refrains from seeking to establish the various prominent figures in the epic as individuals in the modern sense of the term Instead they emerge as representative figures whose interrelationships though interesting are less important for the unity and meaning of the epic than are their common relationships to the world in which they exist The question of personal guilt or innocence becomes irrelevant and Professor Bekker sees the work ultimately as poetic pageant of a noble way of life and its destruction Symbolism imagery parallelism symmetry and other structural devices all contribute to the design which expresses the nature of this noble life and Professor Bekker s book is a valuable guide to the complex architecture of this thirteenth century masterpiece

The Nibelungenlied ,1909 The Nibelungenlied Ernest Rhys,1908

The Nibelungenlied ,2018-03-01 Filled with portrayals of deception love murder and revenge yet defying traditional medieval epic conventions for representing character the Nibelungenlied is the greatest and most unique epic in Middle High German The Klage its consistent companion text in the manuscript tradition continues the story detailing the devastating aftermath of the Burgundians bloody slaughter William Whobrey s new volume offers both together for the first time in English in a prose version informed by recent scholarship that brilliantly conveys to modern readers not only the sense but also the tenor of the originals

The Nibelungenlied Mrs. Mary S. Cobb,1906

Thank you utterly much for downloading **The Nibelungenlied**. Maybe you have knowledge that, people have look numerous time for their favorite books bearing in mind this The Nibelungenlied, but stop up in harmful downloads.
