The Hallowed Eve Jack Santino, 2021-10-21 In Northern Ireland, Halloween is such a major celebration that it is often called the Irish Christmas. A day of family reunions, meals, and fun, Halloween brings people of all ages together with rhyming, storytelling, family fireworks, and community bonfires. Perhaps most important, it has become a day that transcends the social conflict found in this often troubled nation. Through the extensive use of interviews, *The Hallowed Eve* offers a fascinating look at the various customs, both past and present, that mark the celebration of the holiday. Looking through the lenses of gender, ethnicity, and religious affiliation, Jack Santino examines how the traditions exist in a nonthreatening, celebratory way to provide a model of how life could be in Northern Ireland. *Halloween* concludes Santino is a marriage of death and life, a joining of cultural opposites: indoor and outdoor, domesticity and wildness, male and female, old and young. Although current folk and popular traditions can be divisive, Halloween in Northern Ireland is universally considered to belong to everyone, regardless of their background or political leanings. The holiday is a dramatic example of how a community comes together one day a year, and these Northern Irish traditions capture the fundamental and everyday dimensions of life in Ulster.

Year's Best Hardcore Horror Volume 1 Jeff Strand, Adam Cesare, Adam Howe, David James Keaton, Jack Bantry, Robert Essig, Pete Kahle, Scott Emerson, Tony Knighton, The Behrg, Kristopher Triana, Lilith Morgan, Charles Austin Muir, Jorge Palacios, MP Johnson, Monica J. O'Rourke, Jason Parent, Clare de Lune, George Cotronis, 2016-06-01 Not for the faint of heart or weak of stomach, the 19 stories in this new best-of annual anthology feature episodes of graphic gore and violence, including torture, dismemberment, self-mutilation, and home abortion, that are designed to push buttons as well as boundaries, strictly for hardcore horror fans. Publishers Weekly Excerpt from the Introduction: Editors Randy Chandler and Cheryl Mullenax put the call out to horror writers and editors of extreme stories, the hardcore stuff that breaks boundaries and trashes taboos, the transgressive tales you can't unread. As Chuck Palahniuk says, "We staked out our territory and nailed this to the wall to guide us." YEAR'S BEST HARDEST HORROR: Not your mama's best-of horror annual. This stuff comes from the edge of the abyss, stories you read at your own risk because you feel the abyss looking right back into you through the tainted lens of each twisted tale. Some of the stories you'll find here are loaded with very graphic descriptions of violence, sex, and depravities, while others may contain only one shocking moment of brutality. In others, the

hardcore aspect may be less graphic and subtler than you might expect Some of these quieter tales offer the reader some time to recover from the more disturbing ones preceding Most of the stories collected here are from small and specialty press anthologies with a few from periodicals like the prestigious Splatterpunk Zine in the UK and Thuglit here in the US Bizarro is also represented with a couple of tales from the unlikely anthology Blood For You A Literary Tribute To GG Allin from Weirdpunk Books If you re not familiar with the late GG Allin you can find snippets from some of his outrageous and obscene punk shows online which will increase your appreciation of those two tales So for now forget about that neighbor you suspect is a serial killer don t worry about the drunk driver that could take you out on your next trip to the store push those troubling news stories to the back of your mind and immerse yourself in the imaginary horrors at hand But don t be surprised if you sense something dark staring back at you from between the lines That is to be expected when you enter these forbidding realms With any luck you may find something useful to help you survive the approaching Apocalypse
