Isabellae - Volume 1 - The Night-Man Raule,2016-11-09T00:00:00+01:00 It s Japan 1192 seven years since the battle of Dan no ura that marked the beginning of the feudal era It s also been seven years since Isabellae Ashiwara started roaming the country accompanied by her father s ghost earning a living by the point of her sword And seven years that she s been looking for her long lost sister Siuko The time has at last come for this bounty hunter to face up to her past and take charge of her destiny

The Great Nightmen Conspiracy Tyge Krogh,2019-08-20 The Great Nightmen Conspiracy explores the little known magico religious history of eighteenth century Denmark Essential tasks carried out by the nightmen such as dealing with carcasses and assisting with executions generated contempt from the rest of society but also led to the nightmen becoming deeply feared because of the dark and magical forces associated with their occupation The discovery of a dead peasant at the edge of the fjord on 4 December 1734 led to the arrest of the nightmen Mikkell and Hans in the nearby market town of Kalundborg in Zealand In court their interrogation focused not on the suspected murder but on thefts of livestock immorality and other provocations committed by these socially ostracised nightmen The court case became the largest of its time implicating nightmen across half of Zealand and exposing divisions within society This book uses a minutely researched set of incidents centring on the Danish pariah caste of nightmen to bring to light this unknown magico religious side of Denmark Through microhistorical methodology The Great Nightmen Conspiracy presents a detailed insight into the lives of the nightmen in Kalundborg and the society that constructed their alienation It is ideal for academics and postgraduate students of microhistory and urban history

It's (Almost) Always Sunny in Philadelphia Kimberly Potts,2025-07-01 In the bestselling traditions of Seinfeldia and Top of the Rock comes a fascinating deep dive into the longest running live action sitcom in television history from its humble beginnings to its evolution as a critically acclaimed cult classic comedy Charlie Dennis Mac Sweet Dee and Frank are deplorable characters They will never mature become more self aware or less self involved That is what the creators of It s Always Sunny in Philadelphia are committed to and that s why the show s millions of devoted fans have stuck with the cult comedy hit for over sixteen seasons and counting Created in 2005 by stars Rob McElhenney Glenn Howerton and Charlie Day unemployed actors with a pair of Law Order guest appearances as the highlights of their collective resume the frustrated trio drafted a homemade TV pilot A few months and 200 later the cost of videotapes pizza for their friends who volunteered as extras and a broomstick to tape their boom mic to It s Always Sunny in Philadelphia was ready for its network debut All major parties either passed or were interested but wanted creative control And then came FX looking to shake up cable TV Willing to allow McElhenney Howerton and Day complete freedom to deconstruct the traditional sitcom new president John Landgraf agreed to take a chance No one had any idea how big of a success it would be With FX s one creative note the hiring of Danny DeVito adding the final piece of the puzzle It s Always Sunny in Philadelphia has enjoyed a steady climb to high ratings critical acclaim and a place in the cultural zeitgeist Now

how the show and its creators have accomplished this is revealed with this in depth behind the scenes celebration As thoughtful provocative and engaging as the show itself this book also explores how the show has pushed the envelope and used absurdist comedy to explore major societal issues including the MeToo movement LGBTQ rights racism and more It also asks what does the future hold for The Gang It certainly won't include the characters personal growth but the show itself continues to move forward adding to its dynamic history with each season The Tale of Tailey L.R. Slack,2022-06-09 Tailey came from the humblest of beginnings His life had begun as a stray barn cat and though he was now the beloved companion and protector of a young deaf girl named Megan he still had no idea of how far afield his destiny would soon take him or how dangerous things would become Megan is under grievous threat from Ichneumon Possessor of Souls who seeks to erase her and the threat of her powerful unrealized magic from existence assuring his own continued supremacy on his home world of Katlyn But when a mysterious cat's eye stone whisks Tailey off to that other world under its blue sun and he finds himself in the midst of an epic battle between good and evil all he can think of is getting back to his little girl and keeping her safe With the help of the cats of Katlyn a wolf cub a small but magical creature called Nep and the enormous and wise Animond Yahmond Yah he searches for a way back home even as Katlyn is being torn asunder by the dark forces of Ichneumon on one side and the ancient evil of the ebony sword on the other As peace unravels and blood is shed on all sides ancient enemies will come together forging new bonds of trust and working together to stand against the darkness But amidst such chaos and uncertainty how can one small gray cat ever hope to find his way home before it's too late **Special Bulletin** ,1922
