The Niobe Poems:

The Niobe Poems Kate Daniels, 1988 Now back in print this heralded second collection by the award winning poet centers around the Greek myth of Niobe and the theme of endurance **The Niobe Poems** Kate Daniels, 2014-08-12 Kate Daniels's central myth is that of Niobe the mother in Greek mythology whose children were killed by the gods because of her great pride in them She taps the lasting power of the ancient story in poems about personal loss and political insanity Though the subjects are frequently grim the final effect of the book is not since Daniels's central theme is endurance the discovery of what we need to survive **The Niobe Poems** Kate Daniels, 1988-01-01 **The Niobe Poems**, 1988 Niobe and Other Poems Aaron Evan Baker, 2024-07-05 Niobe and Other Poems is a volume of poems about love death religious faith and the loss of that faith **Southbound** Ernest Suarez, T. W. Stanford, Amy Verner, 1999 There's a real flowering I think of southern poetry right now assembling at the edges of everything This observation by Pulitzer Prize winning poet Charles Wright reflects upon the continuing vibrancy and importance of the southern poetic tradition Although the death of James Dickey in 1997 left southern poetry without a recognizably dominant voice an array of other vibrant voices continue to be heard and recognized Southbound Interviews with Southern Poets provides a glimpse of the many poets who promise to keep southern poetry vital into the twenty first century **The Poems of Phillis Wheatley** Phillis Wheatley, 1989 Collects poems by the young Black slave with critical commentaries on her short career **African American Literature and the Classicist Tradition** T. Walters, 2007-10-29 This is a groundbreaking study exploring the significant relationship between western classical mythology and African American women's literature A comparative analysis of classical revisions by eighteenth and nineteenth century Black women writers Phillis Wheatley and Pauline Hopkins and twentieth century writers Gwendolyn Brooks Toni Morrison and Rita Dove reveals that Black women writers revise specific classical myths for artistic and political agency The study demonstrates that women rework myth to represent mythical stories from the Black female perspective and to counteract denigrating contemporary cultural and social myths that disempower and devalue Black womanhood Through their adaptations of classical myths about motherhood Wheatley Ray Brooks Morrison and Dove uncover the shared experiences of mythic mothers and their contemporary African American counterparts thus offering a unique Black feminist perspective to classicism The women also use myth as a liberating space where they can speak the unspeakable and empower their subjects as well as themselves **Brill's Companion to Classics in the Early Americas**, 2021-08-30 Brill's Companion to Classics in the Early Americas illuminates the remarkable range of Greco Roman classical receptions across the western hemisphere from the late fifteenth to the early nineteenth century Bringing together fifteen essays by scholars working at the intersection of Classics and all aspects of Americanist studies this unique collection examines how Hispanophone Lusophone Anglophone Francophone and or Indigenous individuals engaged with Greco Roman literary cultures and materials By coming at the matter from a multilingual transhemispheric perspective it disrupts prevailing

accounts of classical reception in the Americas which have typically privileged North over South Anglophone over non Anglophone and the cultural production of hegemonic groups over that of more marginalized others Instead it offers a fresh account of how Greco Roman literatures and ideas were in play from Canada to the Southern Cone to the Caribbean treating classical reception in the early Americas as a dynamic polyvocal phenomenon which is truly transhemispheric in reach

Foremother Love Dana Murphy, 2025-06-27 Dana Murphy examines the importance of eighteenth century poet Phillis Wheatley as a foundational figure for Black feminist criticism
