The Obsession:

The Obsession Meyer Levin, 2015-08-13 In 1951 Meyer Levin's wife gave him a copy of *The Diary of a Young Girl* by Anne Frank which had just been published in France. Levin was already a successful writer in his mid forties searching for a way to bear witness to his experiences as a war correspondent in Europe. In Anne Frank's diary he found the voice he had been waiting for. *The Obsession* widely regarded as one of Meyer Levin's finest works is a candid account of his struggle to bring his version of Anne Frank's diary to Broadway. Levin's adaptation begun with the support of Anne's father Otto was eventually deemed unstageworthy and he was supplanted by non Jewish writers. To Levin it was a clear case of sanitizing Anne's story in favor of mass appeal. He battled for his version in courtrooms and out but the fallout nearly destroyed both his family and his career. In recounting the mania that gripped him for twenty years Levin spares neither himself nor others. Like all his best work this extraordinary memoir encompasses larger themes the nature of Jewishness the price of assimilation the writer's obligation to himself and to his subject and the search for identity and purpose. *The Obsession* is an autobiographical account by one of America's best contemporary novelists of his twenty year agonizing enslavement to an idea. It is a dramatic book beautifully written with suspense sensational revelations the striking changes of pace and focus and relentless seeking after the meaning of the obsession.
