B.

Meyer, 1996 Sketching every period of Abraham's life Meyer shows that wherever faith is it is linked with God's omnipotence *The Biblical Aspect of Abraham's Life* Ike & Queen Ozuome, 2013-02 ALL THESE THINGS WERE WRITTEN DOWN FOR OUR LEARNING AND FOR OUR ADMONITION Romans 15:4-11 Corinthians 10:6-11 _____ The Biblical Aspect of Abraham's Life is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today Christians in many aspects but was used by God to accomplish His plan and purpose Written by pastors Ike and Queen Ozuome this book offers some helpful insights into Abraham's wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life It is designed to help the Christian who is struggling in his or her walk with Christ to have a better understanding of how God interacts with His people It is also a useful resource material for understanding your strengths and weaknesses and for identifying both the opportunities open to you and threats you face in your Christian walk with Christ It can serve as a flashlight for anyone who is walking a dark path or who wants to learn from the mistakes of someone in the past as to avoid the same mistakes or pitfalls It is a book that will help you link the things that have happened in the past with experiences that you have in the present Friend of God Ray C. Stedman, 2010-11-01 Ray Stedman takes us on a rewarding and fascinating journey through the life of Abraham His unique blend of insightful Bible

teaching delightful storytelling and conversational style will draw you into the mind of the greatest of all Old Testament heroes You ll experience each episode of Abraham s life in a new and life changing way As Pastor Stedman himself has said Each of the incidences in Abraham s life is a luminous illustration of some New Testament event or truth Rediscover the adventure of faith alongside this remarkable man known as Abraham *Religion of the Fathers* Denver C. Snuffer Jr. ,2021-07-20 The first and most complete religion belonged to Adam and Eve They lived with God and after being cast out they retained a memory of living in God s presence Adam taught the first eight patriarchs born after him the Religion of the Fathers which involved direct communion contact and connection between mankind and God It enabled the faithful to hear directly from the Lord His promise of eternal life to seal them by covenant into His Heavenly Family Despite nearly universal apostasy and rebellion against God while Adam lived the line of first or Patriarchal Fathers preserved the true religion Their religion was Adam s religion and their understanding reached back to the Garden of Eden They experienced visions ascended into Heaven obtained promises of exaltation and were transformed by their experiences from men into angels of God After Shem Melchizedek an apostasy lasted until Abraham Although he was raised by an idolater Abraham searched for the true God of Heaven He sought for the blessings of the Fathers the very thing Malachi prophesies will return before the great and dreadful return of the Lord Like Adam at the beginning and his descendant Enoch Abraham was caught up into Heaven and received a tutorial endowment from God The covenant of the first Fathers was renewed and conferred upon him by Melchizedek thereby restoring continuity back to Adam Abraham represents the key Patriarchal Father prophesied of in Malachi Abraham not only renewed the covenant of the Fathers including Noah and Enoch but also through the Abrahamic covenant God established Abraham as the new head of the family of God on Earth The Book of Abraham has become a battleground because it is so important for our salvation Recovering the Religion of the Fathers becoming of one heart with the Fathers and fulfilling the prophecy of Malachi are directly connected to Abraham The more we can learn of Abraham the more we can know of the covenant with the Fathers spoken of by Malachi and those same blessings of the Fathers that will be administered again before the end We can if faithful obtain all that the original Fathers received from God at the beginning Therefore any book written by Abraham should be priceless to us The Lord s strange act is approaching completion The promises made to the Fathers are being vindicated The Restoration has recommenced and if we are faithful it will not be paused or interrupted again Although Israel s numbers are few there have never been great numbers willing to sacrifice everything for God The Religion of the Fathers presents a strong defense of the authenticity of the Book of Abraham as translated through Joseph Smith Jr in 1835 and subsequently published in the Times Seasons in 1842 It also presents an expanded view of the Restoration of the gospel its ancient roots current covenants and prophesied future Topics covered include Christianity miracles heaven hell the apocalypse truth the Bible the devil historical evidence Lectures on Faith the Ten Commandments signs of the times Teachings of the Prophet Joseph Smith the law of consecration the Joseph Smith

Papers Joseph's journal the translation process the destiny of the Christian church polygamy saving grace and many more

Abraham Terence E. Fretheim, 2007 A critical reassessment of the story of Abraham's chosen family and its impact on three faiths In an inviting style that showcases his literary discernment theological sophistication and passion for the biblical text Terence E Fretheim turns his attention to one of the most dramatic stories of the Old Testament that of Abraham Sarah Hagar Isaac and Ishmael Through close readings of Genesis 12 through 25 Fretheim guides readers through the intricacies of the plot from God's surprising call to Abraham to leave home and family to God's enigmatic commands to evict one son and sacrifice another Extending the vein of analysis in which he previously has written to wide acclaim Fretheim examines Abraham's family and assesses the significant roles it plays across three religions Judaism Christianity and Islam Relating biblical narrative to theological concerns Fretheim wrestles with such controversial concepts as God's selection of an elect people the gift of land and other promises the role of women and outsiders the character of God and the suffering of innocents In addition Fretheim contributes to the increasingly important interreligious dialogue surrounding Abraham by examining the continuing conversation among Muslims Christians and Jews about the place of Hagar and Ishmael in Abraham's family Throughout the text Fretheim frames the narrative as rooted in the trials of family and faith that define the story of Abraham as the father of three religions *The Book of Abraham* Marek Halter, 1986 *The Christianity of Abraham: 'faith which worketh by love', with patriarchal prophecy.* By *** esq Abraham (the patriarch.), 1848 *Twelve Lectures Upon the History of Abraham* Henry Blunt, 1831 ***In the Bosom of Abraham*** George R. Eves, 2015-10-07 Read the Old Testament for the first time Again Experience it as an actual story for the first time This unique book takes the reader inside the biblical narrative for a fresh encounter with God's Word Often we read the Old Testament looking for how each event anticipates the Christ which is a bit like reading a detective novel knowing who done it all along Here each succeeding episode is allowed to speak on its own terms only building upon what has already happened just like any other story Along the way it will be demonstrated how each part of the biblical narrative embodies the three covenantal promises that God made to Abraham Land Many Descendants and a Blessing to All Nations In so doing the inherent narrative framework of the old old story is more fully exposed and the reader is rewarded with a new sense of its profound unity and divine inspiration
