When a shipping container washes ashore on an island between our world and the next John the Collector finds a young woman inside broken frozen and barely alive With the aid of Healers and Scholars John oversees her recovery and soon discovers her genetic code connects her to every known human race She is a girl of prophecy and no one can guess what her survival will mean No one but Eve Mother of the Living who calls her daughter and invites her to witness the truth about her story indeed the truth about us all **EVE PA WILLIAM PAUL YOUNG**,2015-09-22 The Shack shattered our limited perceptions about God Eve will destroy harmful misconceptions about ourselves When a shipping container washes ashore on an island between our world and the next John the Collector finds a young woman inside broken frozen and barely alive With the aid of Healers and Scholars John oversees her recovery and soon discovers her genetic code connects her to every known human race She is a girl of prophecy and no one can guess what her survival will mean No one but Eve Mother of the Living who calls her daughter and invites her to witness the truth about her story indeed the truth about us all Eve is a bold unprecedented exploration of the Creation narrative true to the original texts and centuries of scholarship yet with breathtaking discoveries that challenge traditional misconceptions about who we are and how we re made Eve opens a refreshing conversation about the equality of men and women within the context of our beginnings helping us see each other as our Creator does complete unique and not constrained to cultural rules or limitations Thoroughly researched and exquisitely written Eve is a masterpiece that will inspire readers for generations to come **The Book of Eve** Carmen Boullosa,2023-05-09 A brilliant feminist twist on the Book of Genesis from Carmen Boullosa What if everything they ve told us about the Garden of Eden was wrong Faced with what appears to be an apocryphal manuscript containing ten books and ninety one parts Eve decides to tell her version of the story of Genesis she was not created from Adam s rib nor was she expelled for taking the apple from the serpent the story of Abel and Cain isn t true neither are those of the Flood and the Tower of Babel In brilliant prose Carmen Boullosa offers a take on the Book of Genesis that dismantles patriarchy and rebuilds our understanding of the world from the origin of gastronomy to the domestication of animals to the cultivation of land and pleasure all through the feminine gaze Based on this exploration at times both joyful and painful The Book of Eve takes a tour through the stories we ve been told since childhood which have helped to foster and cement the absurd idea that woman is the companion complement and even accessory to man opening the door to criminal violence against women Boullosa refutes this entrenched dangerous perspective in her foundational and brazen feminist novel **Eve** Baring-Gould Sabine,1901 Eve Charlotte Lewis,2009-06-12 One morning in February Clovis Hartford ran an errand for her employer at the Courthouse She arrived just in time to witness six murders in the courtroom she intended to enter Other than a defense attorney who was in total shock Clovis was the only eye witness It became obvious she would have to testify when one of the

shooters was captured a few weeks later The authorities advised her to consider the Federal Witness Protection program after her testimony Her husband Harry Hartford refused to go with her If she insisted on testifying and would prefer living as someone else instead of staying at home with him she could go into Witness Protection alone She was shocked that material things meant more to Harry than she did his wife of more than thirty years This novel follows Clovis into Witness Protection and tells the story of starting over alone She has regrets but knows she would have had to testify if she wanted to or not She is homesick and misses the closeness of a spouse the comforts of her family Her new location is only a thousand miles from her home in Arcadia California but may as well be on the moon She keeps informed of her family by checking her youngest daughter s MySpace page The ups and downs of every day living is complicated only because she can t confide in any of her new friends The story has romance attempts on her life success in a new occupation and a neighbor so totally deranged she puts a snake in our heroine s mailbox This isn t your Auntie s romance novel by any means But there is a touch of romance

I, Eve Edward Le Comte,2001-05-29 This elegant and enchanting story is a modern and only slightly religious version of the story of Adam and Eve and their offspring Edward Le Comte has entered uncannily into the world of the First Family into the heart and mind of Eve herself who tells the tale In a voice at once lyrical witty and strong she brings to life an Eden both magical and menacing How did it feel to live in Paradise Who caused it to be lost How did they survive day and night What was it like to have a husband s affection stolen by the witch woman Lilith What was it like to be the first to give birth to literally raise Cain and to lose a son to jealousy I Eve is startling and unsettling in every way possible and in an absolutely straightforward manner extremely convincing Eve is the hero skeptical of Adam s claims to be in touch with God This is not an Eden of miracles it is an Eden miraculously alive with mischief humanity and human feeling When the snake talks it is the trick of a devilish ventriloquist The apple is an apple good and evil are on the tongues of the tasters
