The Guide of the Perplexed, Volume 1 Moses Maimonides, 2010-05-15 One of the most important contributions to the study of Maimonides The translation is of a quality unequalled in a modern language Journal of the History of Philosophy This monument of rabbinical exegesis written at the end of the twelfth century has exerted an immense and continuing influence upon Jewish thought It has also been a formative element in the thinking of leading Christian writers and philosophers down through the seventeenth century The Guide is not a philosophical treatise Its aim is to liberate people from the tormenting perplexities arising from their understanding of the Bible according only to its literal meaning This edition contains extensive introductions by Shlomo Pines and Leo Strauss a leading authority on Maimonides An important volume which is unlikely to be surpassed for a long time Times Literary Supplement The Branch Exposition of the Bible, Volume 1 Michael A.

Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture **The Quest for Context and Meaning** Talmon, Craig A.

Evans, 2021-11-15 This collection of studies is published in honor of Professor James A Sanders a leading scholar in the fields of the canon of Scripture textual criticism and the relationship of the two Testaments Contributors include leading scholars in these and related fields of study The studies investigate in what ways the early sacred tradition was interpreted and how this tradition takes new shape in the Jewish and Christian communities of faith Included are studies of Jesus understanding of Scripture Paul's interpretation of Scripture and the ways in which Scripture was interpreted by the Rabbis In many instances novel interpretations and new approaches to old problems are offered Advanced students and veteran scholars will enjoy the many insights and provocative new ideas *The Evangelical repository.
