

The Hardest Drug

Camilla Rothe

The Hardest Drug:

The Drug Solution Chester Nelson Mitchell, 1990-05-15 This provocative volume makes a valuable contribution to debates on drug legislation. It is the only book that analyses and assesses all regulatory alternatives to drug prohibition. The author brings together research from the scientific, medical, ethical and legal fields to criticize drug laws and enforcement policies of many countries including the U.S. and Canada. Drug Policy and the Decline of the American City Sam Staley, 2017-07-05 The drug trade is a growth industry in most major American cities, fueling devastated inner city economies with revenues in excess of 100 billion. In this timely volume, Sam Staley provides a detailed in-depth analysis of the consequences of current drug policies, focusing on the relationship between public policy and urban economic development and on how the drug economy has become thoroughly entwined in the urban economy. The black market in illegal drugs undermines essential institutions necessary for promoting long-term economic growth, including respect for civil liberties, private property, and nonviolent conflict resolution. Staley argues that America's cities can be revitalized only through a major restructuring of the urban economy that does not rely on drug trafficking as a primary source of employment and income, the inadvertent outcome of current prohibitionist policy. Thus, comprehensive decriminalization of the major drugs, marijuana, cocaine, and heroin, is an important first step toward addressing the economic and social needs of depressed inner cities. Staley demonstrates how decriminalization would refocus public policy on the human dimension of drug abuse and addiction, acknowledge that the cities face severe development problems that promote underground economic activity, and reconstitute drug policy on principles consistent with limited government as embodied in the U.S. Constitution and Bill of Rights. Designed to cross disciplinary boundaries, Staley's provocative analysis will be essential reading for urban policymakers, sociologists, economists, criminologists, and drug treatment specialists. *Drugs and the Limits of Liberalism* Pablo De Greiff, 2018-10-18 Society's drug problem will persist, and debates over how to solve it will continue getting nowhere until we define our terms. This book is an effort to do just that: to parse the legal, moral, and philosophical underpinnings for any discussion of drug policy. Does liberal political theory, with its commitment to individual freedom, offer any guidance in the matter of drugs, particularly regarding their legal status? Do the commitments that citizens of liberal democracies make—commitments to ideals such as rationality, equality, justice, and democratic forms of decision making—have implications for drug policy? These are the questions addressed in this volume, which explores the possibilities and limitations of philosophical reflection on this pressing practical social issue. The authors, distinguished political and legal philosophers, search out the justification of policies that manage problems of drug consumption and social disintegration but do so in keeping with the moral and political commitments of a liberal democratic society. Their subjects range from the rationality or irrationality of drug consumption to the scope of liberty, from the proper aims of legislation to the rhetoric of the war on drugs, particularly as deployed by former Drug Czar William Bennett. The Politics of Narcotic Drugs Julia Buxton, 2011-04-06 *The Politics of Narcotic Drugs* brings

together leading experts on the drugs trade to provide an accessible yet detailed analysis of the multiple challenges that the contemporary trade in narcotic drugs and its prohibition pose from the local to the international community Through the use of country and regional case studies that include Afghanistan Mexico Colombia and the Middle East the drivers of the drugs trade and the security and development dilemmas created by the prohibition of narcotic substances are explored

Contributions that assess the international drug control regime British anti drug enforcement organizations narcoterrorism and options for drug policy reform engage readers in current debates and the narrative frameworks that shape discussion of the drugs issue The book is an invaluable guide to the dynamic and far reaching issue of narcotic drugs and the impact of their prohibition on our countries and communities The chapters are followed by an A Z glossary of key terms issues and organizations and a section of maps and statistics

Illicit Drugs Adrian Barton,2011-05-10 The second edition of the popular Illicit Drugs Use and Control provides a timely up to date discussion of the key issues raised in the first edition whilst also providing new chapters which address Class gender and race The geo politics of illicit drug production and distribution Britain s drug use within a global context This accessible book with its inclusion of new pedagogical features will be essential reading for students and researchers working in the area of drugs and society

Fixing Drugs S. Pryce,2012-02-14 In this unique and engaging book Sue Pryce tackles the major issues surrounding drug policy Why do governments persist with prohibition policies despite their proven inefficacy Why are some drugs criminalized and some not And why does society care about drug use at all Pryce guides us through drug policy around the world

Drugs Arthur Benavie,2012-08-06 Using the best scientific evidence Drugs America s Holy War explores the impact and cost of America s War on Drugs both in tax spending and in human terms Is it possible that US drug policies are helping to proliferate not prevent a multitude of social ills including homicide property crime the spread of AIDS the contamination of drugs the erosion of civil liberties the punishment of thousands of non violent people the corruption of public officials and the spending of billions of tax dollars in an attempt to prevent certain drugs from entering the country In this controversial new book award winning economist Arthur Benavie analyzes the research findings and argues that an end to the war on drugs much as we ended alcohol prohibition would yield enormous international benefits destroy dangerous and illegal drug cartels and allow the American government to refocus its attention on public well being

The War on Drugs Paula Mallea,2014-06-28 Explores the spectacular failure of the war on drugs to weaken drug cartels and the illegal drug supply as well as the modern history of drug use and abuse the pharmacology of illegal drugs and the economy of the illegal drug trade

Analytic Series ,1997 **The Legalization of Drugs** Doug Husak,Peter de Marneffe,2005-08-29 In the United States

today the use or possession of many drugs is a criminal offense Can these criminal laws be justified What are the best reasons to punish or not to punish drug users These are the fundamental issues debated in this book by two prominent philosophers of law Douglas Husak argues in favor of drug decriminalization by clarifying the meaning of crucial terms such as legalize decriminalize and drugs and by identifying the standards by which alternative drug policies should be assessed He critically examines the reasons typically offered in favor of our current approach and explains why decriminalization is preferable Peter de Marneffe argues against drug legalization demonstrating why drug prohibition especially the prohibition of heroin is necessary to protect young people from self destructive drug use If the empirical assumptions of this argument are sound he reasons drug prohibition is perfectly compatible with our rights to liberty Heroin Century Tom Carnwath,Ian Smith,2003-09-02 This fascinating account of the development and use of this twentieth century drug provides a wealth of factual information alongside some informed insights into the future for heroin in the twenty first century The Relationship Between Mental Health and Substance Abuse Among Adolescents ,1999 Drugs in Britain Mark Simpson,Tracy Shildrick,Robert MacDonald,2020-09-12 Drawing on well respected authors in the field this textbook is at the cutting edge of current debates about illicit drug use Comprehensive and straightforward it examines the major theoretical questions themes and policy debates Contains study exercises to highlight important points to students **The War on People who Use Drugs** Jay Levy,2017-07-14 Opposition to harm reduction Needle and syringe programmes Opposition to needle and syringe programmes Injection paraphernalia availability Education Safer drug use Information on blood borne infections Opiate substitution therapy Opposition to substitution therapy Substitution therapy availability The Malm model a second Swedish model Summary variability of services and harm exacerbation 5 Experiences of service and healthcare provision Spatial segregation Social services Opiate substitution therapy Gaining access Disciplining and conditionality High threshold substitution therapy barriers to seeking assistance Compulsory treatment Disseminating dominant discourse biopower geopower discipline Summary conditionality and discipline 6 The outcomes of Sweden s war on people who use drugs Impacts of the criminalisation of drug use Stigma Arrests and fines Disincentives to seek assistance losing child custody compulsory care criminalisation Results of harm exacerbation policies High threshold methadone Illegal needles needle sharing and needle reusing Blood borne infections Ineligibility for hepatitis C treatment People who use drugs and the Swedish police and security forces Good intentions Difficulties in reporting crime Violence Summary exacerbated harm danger and violence for people who use drugs Conclusions Harm exacerbation social exclusion and violence Summary of research the Swedish model of drug prohibition Silencing pathologisation displacement The outcomes of law and policy service provision harm exacerbation and violence Sweden s drug free society a utopian solution for all the world In summary Sweden s war on people who use drugs Bibliography Index Drugs and Society Jefferson M. Fish,2006 The focus of this edited collection is a thoughtful multidisciplinary presentation of past and present U S drug policies and whether they are

winning the so called war on drugs they aren't For the great majority of ills ascribed to drugs are actually caused by the black market created by drug prohibition the more successful the war on drugs is in making the drug trade a dangerous business the greater are the profits from increased prices and hence the greater the incidence of disease corruption social disorder and death Drugs and Society provides individuals with the information they need to construct an alternative policy

The Control of Drugs and Drug Users Ross Coomber, 2020-07-26 Informed debate on how why or even if drugs and those that use them should be controlled needs an insight into the background of such controls how effective they have been and what reasonable alternatives there may be This book seeks to provide such an insight Reviewing important aspects of past and current drug control policies in Britain and America the international compliment of expert contributors seek to explore the rationality of the reasoning which produced the initial controls the continuing relevance of those currently employed and provide alternative scenarios for future policy

Live in the Present and Learn Valuable Life Lessons to Improve Any Relationship Josh R. Himmelman, 2012-10-08 The development of this couples relationship with all of its problems is reflected quite candidly in their experiences of living in an abusive relationship This book speaks of the co existence of a man and a woman who are trying to love each other and be committed for life but fail miserably The book is divided into sections each recounting a different stage of their eleven year relationship Each section is followed by life lessons so the reader can learn from what this couple experienced Each lesson looks at the root cause of an issue A few examples are being victimized broken trust drug abuse true friendship etc These issues can exist in all intimate relationships today so that all readers can benefit in learning from the relationship experiences
