Farrell, 2020-12-05 There is ample evidence across our solar system of cataclysmic and catastrophic destruction events The asteroid belt for example may be the remains of an exploded planet The known planets are scarred from incredible impacts and teeter in their orbits due to causes heretofore inadequately explained Rejecting the naturalist and materialist assumptions of catastrophism forwarded by other researchers Farrell asserts that it is time to take the ancient myths of a Cosmic War in the heavens seriously Incorporating extraterrestrial artifacts cutting edge ideas in

contemporary physics and the texts of ancient myths into his argument Farrell maintains that an ancient interplanetary war was fought in our own solar system with weapons of extraordinary power and sophistication In doing so he offers a solution to an enigma that has long mystified researchers disclosing a cause of that ancient war the means by which it was waged and the real nature of the secret technology behind the ancient Tablets of Destinies It is all here folks The history of the Exploded Planet hypothesis and what mechanism can actually explode a planet The role of plasma cosmology plasma physics even plasma paleophysics and scalar physics The ancient texts telling of such destructions from Sumeria Tiamat s destruction by Marduk Egypt Edfu and the Mars connections Greece Saturn s role in the War of the Titans and the ancient Americas

The War Philosophus,1916 Worlds at War, Nations in Song Kendra Haloviak Valentine,2015-01-12 Rather than representing the book of Revelation as a single apocalyptic genre Kendra Haloviak Valentine demonstrates that the work in fact reflects several genres apocalyptic prophetic and liturgical within the overall framework of an epistle This study focuses on the sixteen hymns a largely neglected part of the literary construction of the work Responding to the insight of Mikhail Bakhtin that literary genres carry ways of thinking about the world this important study calls attention to the multiple voices within the text that need to be heard voices that soften the book s transcendent future focus so that it is not allowed complete dominance Hymns as the sites of colliding and collaborating genres engage the reader *Worlds at War Nations in Song* explores the role of these liturgical elements within the moral enterprise to suggest that the book of Revelation provides readers with a moral vision linking the future with the present Readers are called to respond in worship and witness By calling attention to the multiple voices within Revelation Haloviak Valentine demonstrates the invalidity of seeking one correct interpretation Recognizing this dialogic approach may help prevent the misinterpretations that led to such tragedies as Waco and Jonestown The Holy War ... Craig Miner, 2008 Following the passage of the Kansas Nebraska Act Kansas Territory was a national issue that dominated America's press not to mention three sessions of Congress Craig Miner now offers the first in depth study of national media coverage devoted to the beleaguered territory unearthing new examples of what Americans were saying about Kansas and showing how those words affected the course of national events Miner draws on dozens of newspapers and magazines from all parts of the country and of all political persuasions a trove of rich quotations and unvarnished epithets nearly all of them published here for the first time He reveals how the heated polarizing rhetoric widened the sectional rift weakened chances of accommodation and contributed more to the onset of civil war than has been previously recognized **BOOK JACKET**

A Nurse's Life in War and Peace Eleanor Constance Laurence, 1912 **PREFACE** The charm of these letters it will at once be found depends upon their simplicity their artlessness their obvious candour They present a plain untinted account of a nurse's career of the difficulties she has to face and the problems she has to solve Those who wish to know something of a nurse's life and times will find in this writing a convincing narrative unemotional and matter of fact This is no small merit since the record of nursing experiences is apt to be blurred by exaggeration or made nauseous by sickly romance There is pathos enough in the sick room and in the presence of death but those who come in touch with it would do better to hush the knowledge in their hearts rather than to proclaim it on the house tops Apart from this the world must be a little weary of the astute sick child who lisps melodrama into the ear of the kind nurse as well as of the bizarre aphorisms of the dying tramp

Neo-Assyrian and Greek Divination in War Krzysztof Ulanowski, 2020-10-20 Neo Assyrian and Greek Divination in War focuses on all divinatory practices which were used in the ancient Near East and Greece in time of war Divination was a practical way of discovering the will of the gods and enabled human contact with the divine Divinatory practices were crucial to decision taking The results of divination were especially important during war This book concentrates on the methods used to obtain all possible information from the divine world which could impact on the results of war Knowledge of divine plans verdicts and favors would ensure victory power and eternal glory This book is also about the convergence of the ancient Near East and Greek divinatory systems methods and practices Step by step it points out that the Greeks treated divination in a very similar way to the Mesopotamians and presents the possible routes of transmission of this divine knowledge which was practiced in both cultures by a group of well trained professionals **American War Ballads and**
