The Harvard Guide to Careers in Mass Media John H. Noble, 1987 **The Harvard Guide to Careers in Mass Media**
John H. Noble, 1989 Mass Communications Research Resources Christopher Sterling, James K. Bracken, Susan M.
Hill, 2016-05-06 This reference book is designed as a road map for researchers who need to find specific information about
American mass communication as expeditiously as possible Taking a topical approach it integrates publications and
organizations into subject focused chapters for easy user reference The editors define mass communication to include print
journalism and electronic media and the processes by which they communicate messages to their audiences Included are
newspaper magazine radio television cable and newer electronic media industries Within that definition this volume offers an
indexed inventory of more than 1 400 resources on most aspects of American mass communication history technology
economics content audience research policy and regulation The material featured represents the carefully considered
judgment of three experts two of them librarians plus four contributors from different industry venues The primary focus is
on the domestic American print and electronic media industries Although there is no claim to a complete census of all
materials on print journalism and electronic media what is available is now too vast for any single guide the most important
and useful items are here The emphasis is on material published since 1980 though useful older resources are included as
well Each chapter is designed to stand alone providing the most important and useful resources of a primary nature
organizations and documents as well as secondary books and reports In addition online resources and internet citations are
included where possible The AIGA Guide to Careers in Graphic and Communication Design Juliette Cezzar, 2017-10-05
What graphic design is what designers need to know and who becomes a designer have all evolved as the computer went
from being a tool to also becoming our primary medium for communication How jobs are advertised and how prospective
candidates communicate with prospective employers have changed as well as has the culture and context for many
workplaces requiring new approaches for how to find your first and last position Through clear prose a broad survey of
contexts where designers find themselves in the present day and interviews with designers The AIGA Guide to Careers in
Graphic and Communication Design is an invaluable resource for finding your place in this quickly changing and growing
field The book includes interviews with over 40 designers at all levels working in house and out of house in studios
consultancies or alone including Nicholas Blechman The New Yorker Rob Giampietro Google Njoki Gitahi IDEO Hilary
