The Healthy Church:

Becoming a Healthy Church Stephen A. Macchia, 2003-11 A healthy church is possible Here are ten traits to help you diagnose the state of your church and start it down the path to improvement **The Measure of a Healthy Church** Gene A. Getz, 2008-09-01 In a world of competing voices about what church is all about Gene Getz with the wisdom God has granted him over decades of ministry provides a solidly grounded and thoroughly biblical approach to how God assesses the strength health and maturity of a local church Previously titled *The Measure of a Church* He addresses The definition of the church The standard of measure by which the church should be defined Is it centered on Christ Does it display the fruit of the Spirit Is it growing in its ability to display faith hope and love How does one measure leadership How does one measure worship What is the one ultimate standard the church is measured by *Growing A Healthy Church* Dann Spader, Gary Mayes, 1993-10-09 Sheep swapping shuffling of the saints Whatever you call it many churches are growing only because Christians transfer from one church to another What s more many churches aren t growing at all The problem according to authors Dann Spader and Gary Mayes is that too many church calendars are filled with outdated mediocre programs that have become more of a burden than a blessing That coupled with the fact that these programs minister almost exclusively to Christians leaves little for the non Christian seeker to get excited about *Growing a Healthy Church* is not a list of trendy new programs for your church agenda It is a journey of rediscovery Spader and Mayes look closely at the four stages of spiritual growth in relation to outreach Using the innovative M level system these gifted men show how a church can minister to all individuals regardless of their levels of maturity in potential service This helps eliminate the mistakes of forcing new Christians into service that may overwhelm them or may leave the mature Christian unchallenged Proven successful through SonLife and churches who have used this system this resource will help you focus on the simplicity of Christ s ministry enabling you to build an effective discipling strategy for your church **What Is a Healthy Church?** Mark Dever, 2007-06-19 What is an ideal church and how can you tell How does it look different from other churches More importantly how does it act differently especially in society Many of us aren t sure how to answer those questions even though we probably have some preconceived idea But with this book you don t have to wonder any more Author Mark Dever seeks to help believers recognize the key characteristics of a healthy church expositional preaching biblical theology and a right understanding of the gospel Dever then calls us to develop those characteristics in our own churches By following the example of New Testament authors and addressing church members from pastors to pew sitters Dever challenges all believers to do their part in maintaining the local church What Is a Healthy Church offers timeless truths and practical principles to help each of us fulfill our God given roles in the body of Christ *What Is a Healthy Church Member?* Thabiti M. Anyabwile, 2024-10-08 Pastor and Author Thabiti M Anyabwile Empowers Readers to Actively Contribute to the Vitality of the Local Church God wants Christians to experience the local church as a home more profoundly wonderful and meaningful

than any other place on earth To achieve this all believers should play an active intentional role in the body of Christ But what does it mean to be a healthy church member In this 9Marks guide pastor Thabiti Anyabwile studies God s word to show readers how they can labor for the health of their church Covering 10 essential topics including evangelism discipleship self discipline and prayer he demonstrates how contributing to the mission of the local church also helps readers experience profound spiritual growth in their own lives An Essential Guide on Church Membership and Participation Helps Christians understand their individual roles in building a healthy church Written by Thabiti M Anyabwile Pastor author and council member for the Gospel Coalition From 9Marks Other titles include What Is a Healthy Church Why Trust the Bible and Is God Really Sovereign Replaces ISBN 978 1 4335 0212 5 **The Healthy Church** Bob Whitesel,2013 Can an ordinary church become an uncommonly healthy church Absolutely But it won t happen automatically Many average ordinary churches allow their health to deteriorate to the point that they no longer have the heart to grow strong again How do some churches fend off this heart deterioration to become uncommonly healthy churches Professor and church growth consultant Bob Whitesel set out to answer just that question How can a church strengthen its heart and what are healthy churches doing differently to remain vibrant flexible and healthy as their culture and community changes around them After two years of research with churches that have not only survived but thrived The Healthy Church is Dr Whitesel s answer to that question In addition to practical biblical teaching based on the latest research Whitesel offers seven exercises to help strengthen your church s heart Questions for personal or group study are also included How to Build a Healthy Church (Second Edition) Mark Dever,Paul Alexander,2021-08-11 A Newly Updated and Rebranded Edition of The Deliberate Church If churches are the dwelling place of God s Spirit why are so many built around the strategies of man Eager for church growth leaders can be lured by entertaining new schemes forgetting to keep doctrinal truth as their driving force Churches must find a way out of the maze of programs and methods and humbly lean on the sufficiency of God s Word How to Build a Healthy Church a revised and expanded edition of The Deliberate Church challenges leaders to evaluate their motivations for ministry and provides practical examples of healthy deliberate leadership Written as a companion handbook for Nine Marks of a Healthy Church it covers important topics including membership worship responsible evangelism and church roles This is more than a step by step plan to mimic it s a biblical blueprint for pastors elders and anyone committed to the church s vitality

Becoming a Healthy Church Stephen A. Macchia,1999 Real stories illustrate the top ten qualities of healthy churches based on extensive surveys to encourage creating a healthy climate in every church *Nine Marks of a Healthy Church (3rd Edition)* Mark Dever,2013-08-31 Now in its third edition and featuring a new foreword by New York Times best selling author David Platt pastor Mark Dever s classic book is not an instruction manual for church growth Rather it is a wise pastor s recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today s congregations Church leaders and church members alike will resonate with the principles outlined here breathing new life

and health into the church at large In this newly revised edition fresh arguments have been added for example on expository preaching about the nature of the gospel on complementarianism illustrations have been updated appendices have been changed and cover has been improved *What Is a Healthy Church Member? (2nd Edition) (Khmer)* Thabiti Anyabwile, 2025-04-24 Thabiti Anyabwile explores ten key practices like evangelism discipleship and prayer to help believers actively contribute to their church's health and grow spiritually A guide for strengthening the body of Christ **The Healthy Churches' Handbook** Robert Warren, 2004 This practical guide helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church The focus is on the quality of the church's life rather than just the numbers attending There are no quick fixes no 60 minutes to the perfect church type of solutions The material and process outlined here is the fruit of 10 years of research and reflection on how the church can best express its faith and life in today's setting The material is fully road tested and has been used in local churches across the UK and beyond Your Church Can Grow C. Peter Wagner, 2001-01-11 Is your church healthy and growing or stagnant and dying If your church is afflicted with remnant theology spiritual naval gazing pastoral timidity hyper cooperativism or terminal ethnikitis changes are it's already dying on the vine On the other hand if your church is growing it's probably a healthy church Healthy churches like healthy people says the author exhibit certain vital signs Wagner has his own list of 7 signs that lead can be taken as leading to good health and gives many illustrations of churches that exhibit and or don't exhibit those signs Back cover **What Is a Healthy Church? (Burmese)** Mark Dever, 2022-01-11 You may have read books on this topic before but not like this one Instead of an instruction manual for church growth this classic text offers tried and true principles for assessing the health of your church Whether you're a pastor a leader or an involved member of your congregation studying the nine marks of a healthy church will help you cultivate new life and well being within your own church for God's glory This book is a good introduction and study guide considering the essential marks of a healthy church Nine Marks of a Healthy Church Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That's like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don't use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn't always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail

and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn't want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5:17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ
