Marriage and Society Yaya Sillah, 2014-06-26 I thank God Allah for giving me well being and the courage to complete this seven chapter book And it has also fulfilled my long time desire which is always to share my opinion with different people in different communities However human beings are not complete creatures neither perfect I am not an exception You might disagree with some of my opinions which is very much understandable because no two people will always agree on the same thing all the time However I recommend you and every single reader of this and other books to carefully read every single subject topic very well before making any conclusion to agree or disagree Majority of topics and subjects in this book are based on own personal experience and research And no part of this book is a copy from any other text However I get some of my evidence and reference from the holy Quran and the tradition of Prophet Muhammad You might read a book with an open mind but the real life events that took place and I highlighted some of them are always better to act on something you learn before it could happen to you or you might experience it before and you dont want it to happen to you again I recommend for every reader to follow the best examples which I highlighted majority of which will surely help you Finally if I said something that offended you that is not my intention my real and true intention is to help people in different level of society in regards to issues facing them And sometimes it is almost impossible to make your point without using a reference and example that might sound offensive to someone however that is not the intention of most authors to offend the readers I wish may God Allah make it easy for us to accept the truth and follow the right part to him May Allah keep peace and his blessing hand on the soul of my mother and father who passed away with the rest of Islamic community who passed away too May Allah increase his peace and tranquillity on the legacy of Prophet Muhammad his followers and the rest of Islamic community and individuals I end with the name of Allah the most gracious the most merciful

Hate the # 1 Social Behavioral Disease Sir Steven Anthony, 2022-04-22 Boy meets girl Steven is from the country club brought up with understanding reasoning believing in facts having a consciousness and carrying a moral compass Octapella lives in a trailer park and under her mother s standards disbelieves suffocating control tactics Zoo controls all of Octapella s decision makings Zoo wants her children to be bad thoughtless and much as possible uneducated with life society and not understand how the real world lives Zoo s network of people she titles as family are all corrupted in the way they think act and believe The more Steven tries to listen to Octapella

the more he wants to give Octapella a better life However Zoo continues to interfere so Octapella like a mermaid keeps going back to her mother for advice instead of her fianc The book resembles a reflection of the Cinderella story Questions seem to unveil Do we live in a society where evil is prevailing and becoming the ruler the norm and way of life Do we have immature people in higher up places of authority making decisions to the people and for the people This story unfolds We can sweep off and brush away the dirt on society through detection by observation and then making awareness for other to adjust accordingly for the better There is always room to make change for the better of the people Steven and Octapella move in together They practice together the steps and ceremony of marriage in church however never reach the point of marriage As the same time Steven practices for war and eventually goes off to war for five years in the deserts of Iraq It is not Octapella who needs rescue from a knight in shining armor It is their daughter Santana Maria Worse the presidential judge happens to have the same character of Zoo and Octapella a social behavioral disease that carries internal deception an intergenerational violent behavior of selfishness hate control shaming jealousy and unjust Therefore a tease of unfairness just for their personal satisfaction People like Judge Sorrow Zoo and Octapella love the center of attention and being in charge only to spread more corruption in decision making They must have the final word right or wrong They despise when others are smarter keen happy organized correct and content without drama Judge Sorrow s technique in court is not to make a final decision Even after fifteen years Steven continues to ring more evidence and the judge says she needs more evidence and in the meantime gives Steven zero custody Like an undertow families get separated because of a misrepresentation heartbroken allegation false promised arbitration all from a malpracticed broken lopsided slippery slope inconsiderate judge s sloppy careless and weak rulings

Summoned to Jerusalem Joan Dash,2003-08-04 February 1943 a crowded railway station in Haifa Palestine Crowds of

people wait for a train to pull in Through a winter of anguish the Jews of Palestine have longed for this train It arrives and from the open windows hundreds of little hands wave blue and white flags The train is packed with Jewish children who have been traveling war ravaged Europe since the fall of Poland in 1939 Palestine is their journey s end In front of the crowd is an official delegation headed by an old woman not quite five feet tall She is Henrietta Szold and these children the final contingent of ten thousand children were saved from the Nazis and brought to Palestine because of her One could not have predicted from the beginnings of her comfortable dependent life as the oldest daughter of a Baltimore rabbi the extraordinary accomplishments of Henreitta Szold Even as she reached middle age she was the dutiful studious partner of her father s scholarly researches although she had behind her impressive accomplishments such as the establishment of a pioneering night school for Russian Jewish immigrants But each time she ventured she retreated It took two grave emotional crises to bring her into her own the death of her father and the more astonishing public emotional collapse that ensued after her intense love for a scholar thirteen years her junior ended when he took a young German bride Out of the ashes of this second bereavement emerged the Henrietta Szold who was to imprint her formidable accomplishments on American Jewry and the land of Palestine That barren land the needs of its population and the courage of its pioneers shaped the course of her future while back home in New York the small study group she had established and which was called Hadassah grew into the women s arm of the American Zionist movement Zionism was full of factionalism and the history of Palestine was bloody and divisive It was Henrietta Szold s initiative and drive that established its health care system shaped education and began the social services that prevail today In the 1930s a new mission emerged the rescue from the Nazis of thousands of Jewish children who would otherwise have been lost This Youth Aliyah was her last triumph She was eighty three when her indomitable body wearied at last and she lies buried on the Mount of Olives in the land she played so large a part in shaping
