Cathedrals of Britain David Pepin, 2016-01-10 Cathedrals are awe inspiring buildings Most are grand medieval structures while others appear simple and unpretentious yet all were designed to reflect the glory of God and have a profound impact on us As trailblazers of architectural development each cathedral has distinct individual features such as the powerful Norman Romanesque west towers of Durham the unique octagonal tower at Ely and the daring late Gothic finery and spaciousness at Gloucester In this lavishly illustrated guide to cathedrals from Bangor to York with profiles of Roman Catholic and Scottish cathedrals David Pepin outlines the evolution of architectural style each building's key features and the ongoing story of daily worship wide ranging ministry conservation the new work of craftspeople and the increasing numbers of pilgrims and visitors

Bishop Robert Grosseteste and Lincoln Cathedral John Shannon Hendrix, 2017-07-05 Bishop Robert Grosseteste and Lincoln Cathedral is an in depth investigation of Grosseteste's relationship to the medieval cathedral at Lincoln and the surrounding city This book will contribute to the understanding of

Gothic architecture in early thirteenth century England most specifically how forms and spaces were conceived in relation to the cultural religious and political life of the period The architecture and topography of Lincoln Cathedral are examined in their cultural contexts in relation to scholastic philosophy science and cosmology and medieval ideas about light and geometry as highlighted in the writings of Robert Grosseteste Bishop of Lincoln Cathedral 1235-53 At the same time the architecture of the cathedral is considered in relation to the roles of the clergy and masons the policies of the bishop matters of governance worship and education ecclesiastical hierarchy church liturgy politics and processions The book explores Grosseteste's ideas in the broader context of medieval and Renaissance cosmologies optics perspective natural philosophy and experimental science and considers historical precedents in regard to religious political and symbolic influences on church building The contributors to this volume make an important contribution to our current understanding of the relation between architecture theology politics and society during the Middle Ages and how religious spaces were conceived and experienced

Holy Ground Stephen Platten, 2017-10-01 Cathedrals are one area of the church's life where increasingly the unchurched and the half believer encounter God and where the institutions of our society instinctively engage with the Christian gospel Holy Ground digs deep into the life of England's cathedrals and discusses such diverse topics as finance growth heritage liturgy development music and art

Religion in Cathedrals Simon Coleman, Marion Bowman, 2021-12-26 This book explores cathedrals past and present as spaces for religious but also wider cultural practices Contributors from history anthropology sociology and religious studies trace major continuities and shifts in the location of cathedrals within religious civic urban and economic landscapes of pre and post Reformation Christianity While much of the focus is on England other European and global contexts are referenced as authors explore ways in which cathedrals have been and remain distinctive spaces of adjacent ritual political and social activity capable of taking on lives of their own as sites of worship pilgrimage and governance A major theme of the book is that of replication pointing to the ways in which cathedrals echo each other materially and ritually in processes of mutual borrowing and competition while a cathedral can also provide a reference point for smaller constituencies of religious practice such as a diocese or parish As this volume demonstrates the contemporary resurgence of interest in pilgrimage the impact of Caminoisation and the re-presentation of cathedrals as cultural heritage further add to the attractions popularity and complexities of cathedrals in the 21st century The chapters in this book were originally published as a special issue of the journal Religion

Anglican Cathedrals in Modern Life Leslie J Francis, 2015-09-30 In the past decade cathedrals have blossomed as signs of growth for the Anglican Church in England and Wales They have opened their doors to growing congregations to widening participation at the major Christian festivals and to visitors pilgrims and tourists on a changing quest for religious experience and for spiritual fulfilment In this thought provoking volume Leslie J Francis research group presents ten focused empirical studies that illuminate what is really going

on in these cathedrals **Life with Durham Cathedral** Arran J. Calvert,2023-01-13 An ethnographic account of daily life in Durham Cathedral this book examines the processes of negotiation and change between a community and their cathedral Focusing on the role of sound light time space building and dwelling the author argues that Durham Cathedral is much more than just a backdrop to everyday life Rather through the constant processes of negotiation and change it is a fully engaged participant in the daily lives of those who use Durham Cathedral As such it is not a place in which life happens but a place with which life happens Outlines of the History of Architecture Rexford Newcomb,1923 **Shop Window, Flagship, Common Ground** Judith A. Muskett,2019-11-30 How are cathedrals and churches understood Are they shop windows through which to gaze at the riches on offer within the Christian life Are they flagships of the Spirit Are they both sacred spaces and community utilities Shop window flagship common ground views the rich ministry and innovative mission of cathedrals through the novel lens of metaphor and it offers comparative insights on cathedrals and cathedral like churches Located in the emerging international field of cathedral studies the book explores the usage and inferences of a range of metaphors including shop windows of the Church of England flagships of the Spirit beacons of the Christian faith magnets and sacred space common ground This volume also shows how such metaphors can stimulate different types of research about the function of cathedral and church buildings With a Foreword by Professor Grace Davie the book suggests that cathedrals and cathedral like churches may play a role within vicarious religion theory It will provide a thought provoking critique for practitioners and a valuable contribution for scholars of cathedral studies congregational studies and ecclesiology History of the Albany Cathedral of the Immaculate Conception 1852-1927 Marie Christine Sevier,1927 **A History of Wakefield Cathedral with a Description of the Eastern Extension and an Account of Its Consecration and Octave** F.
