Cawelt, 2014-02-07 In this first general theory for the analysis of popular literary formulas John G Cawelti reveals the artistry that underlies the best in formulaic literature Cawelti discusses such seemingly diverse works as Mario Puzo s The Godfather Dorothy Sayers s The Nine Tailors and Owen Wister's The Virginian in the light of his hypotheses about the cultural function of formula literature He describes the most important artistic characteristics of popular formula stories and the differences between this literature and that commonly labeled high or serious literature He also defines the archetypal patterns of adventure mystery romance melodrama and fantasy and offers a tentative account of their basis in human psychology **Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time

romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensible resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of Romance Fiction A Guide to the Genre published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have The Romantic Fiction Of Mills & Boon. 1909-1995 Jay Dixon, Jay Dixon, 2016-03-23 This study to analyzes romantic fiction s depiction of women as part of the broader history of ideas about women Given the success of the Mills The author shows how all these themes have an historical trajectory and how these novels have come to reflect feminist concerns Based on a study of over 1000 Mills Boon romances the book provides analysis of plot types and shows how these have changed in response to women s own changing position within society Emotionality Eirini Arvanitaki, 2024-05-14 This book focuses on the projections of romantic love and its progression in a selection of popular romance novels and identifies an innovation within the genre's formula and structure Taking into account Giddens's notion of confluent love this book argues that two forms of love exist within these texts romantic and confluent love The analysis of these love variants suggests that a continuum emerges which signifies the complexity but also the formation and progressive nature of the protagonists love relationships This continuum is divided into three stages the pre personal semi personal and personal The first phase connotes the introduction of the protagonists and describes the sexual attraction they experience for each other The second phase refers to the initiation of the sexual interaction between the heroine and hero without any emotional involvement The third and final phase begins when emotions such as jealousy shame guilt anger and self sacrifice are awakened and acknowledged The Psychology of Love Michele A. Paludi, 2012-03-09 From arranged marriages to online dating this four volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world The field of biology views love as a hard wired mammalian drive akin to thirst and hunger In contrast psychology views love from a social and cultural perspective where our drive to find love and our responses to it are highly dependent on societal norms In The Psychology of Love esteemed author and educator Michele A Paludi examines love through all lenses thereby providing readers a deeper understanding of the ways we can express caring sensitivity empathy and respect toward one another Each chapter in this comprehensive four volume work includes a scholarly overview of empirical research and theories about the psychology of love In addition individuals own definitions of love are included Special attention is paid to accepted standards

of love across a variety of cultures the ways individuals express liking and love across the lifecycle and patterns in dissolutions of friendships and romantic relationships making note of gender and race differences The Gothic Romance Wave Lori A. Paige, 2018-10-09 The late 1960s and early 1970s saw the birth of modern feminism the sexual revolution and strong growth in the mass market publishing industry Women made up a large part of the book market and Gothic fiction became a higher popular staple Victoria Holt Mary Stewart and Phyllis Whitney emerged as prominent authors while the standardized paperback Gothic sold in the millions Pitched at middle class women of all ages Gothics paved the way for contemporary fiction categories such as urban fantasy paranormal romance and vampire erotica Though not as popular today as they once were Gothic paperbacks retain a cult following and the books themselves have become collectors items They were also the first popular novels to present strong heroines as agents of liberation and transformation This work offers the missing chapters of the Gothic story from the imaginative creations of Ann Radcliffe and the Bronte sisters to the bestseller 50 Shades of Grev Hemingway on Love Robert W. Lewis, 1965 Love was a central theme of Ernest Hemingway's major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W Lewis in this scholarly and detailed consideration Hemingway's later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway's early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote The Old Man and the Sea his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world Romance and the Erotics of Property Jan Cohn, 1988 Romance and the Erotics of Property examines contemporary popular romance from a number of different points of view probing for codes and subtexts that sometimes exploit and sometimes contradict its surface tale of romantic attraction frustration longing and fulfillment Cohn argues that a full understanding of the contemporary romance requires an investigation of its literary and historical sources and analogues Three principal sources are examined in the context of women's history in bourgeois society Pride and Prejudice Jane Erye and Gone With the Wind demonstrate the development of romance fiction s themes yet in all three the central love story is complicated by issues of property the sign of male power Jan Cohn further considers the development of the genre n the fictions of Harriet Lewis and May Agnes Fleming prolific and popular American romance writers of the late nineteenth century who developed the role of the villain thereby

bringing into focus the sexual and economic struggles faced by the heroine Romance and the Erotics of Property sets romance fiction against a historic and literary background arguing that contemporary romance disguises as tales of love the subversive fantasies of female appropriation and male property and power Dangerous Love: Writing Romantic Suspense Rachelle Ayala, Are you interested in writing a thrilling romantic suspense but not sure how to start Do you love reading romantic suspense novels and wonder how they re put together Romantic suspense is one of the most popular subgenres of romance to write However it isn t easy to juggle a strong and compelling romantic relationship with the intrigue and suspense of a well crafted thriller In this book you ll learn The expected elements of a romance The expected elements in a suspense The different types of heroes and heroines How to design a worthy villain The eight basic romantic suspense plot types How to blend romantic and suspenseful story elements in an organic way When and where to choreograph romantic and sexy scenes between the breakneck pace of action and danger How to start a romantic suspense with the meet cute or the crime How to structure and develop each of the eight romantic suspense plot types of The Protector of The Investigation of The Pursuit o The Mission o The Secret o The Underworld o The Victimized o The Disturbed How to pants a romantic suspense How to plan and write a romantic suspense series Recommended reading for each plot type I m been writing for over ten years and have currently written and published more than sixty romances and romantic suspense novels I learned everything I could about story structure writing romances and reading mystery and suspense thrillers however it was hard to find books or courses on writing romantic suspense Therefore after reading hundreds of romances mysteries thrillers and romantic suspense novels and studying story structure and characterization as well as on the job writing and critiquing I put together this book to help you write thrilling and successful romantic suspense novels **Encyclopedia of Romance Fiction** Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest Included are alphabetically arranged reference entries on significant authors along with works themes and other topics The articles are written by scholars librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject An index provides easy access to information within the entries and bibliographies at the end of each entry a general bibliography and a suggested romance reading list allow for further study of the genre

Saving the World and Healing the Soul David M. McCarthy, Kurt E. Blaugher, 2017-05-01 Saving the World and Healing the Soul treats the heroic and redemptive trials of Jason Bourne Bruce Wayne Bella Swan and Katniss Everdeen The Bourne films Christopher Nolan's Batman trilogy the Twilight saga and the Hunger Games series offer us stories to live into to make connection between our personal loves and trials and a good order of the world

The Human in Superhuman

Sandra Eckard, Alex Romagnoli, 2022-11-08 The Human in Superhuman The Power of the Sidekick in Popular Culture spotlights the often overlooked but very crucial sidekick in superhero narratives From the classic companion Alfred Pennyworth to the supportive best friend Foggy Nelson this collection examines a variety of sidekick characters and their importance to the hero s journey in each story Ultimately rather than viewing the lack of superpowers as a flaw the essays show that it is precisely human qualities like compassion empathy and encourage that enable the sidekicks to help their heroes grow Chapters include discussions of Spider Man Daredevil Buffy the Vampire Slayer Doctor Who and more

Medieval Insular Romance Judith Elizabeth Weiss, Jennifer Fellows, Morgan Dickson, 2000 Major themes explored are narratives of the disguised prince and the reinvention of stories for different tastes and periods These studies cover a wide chronological range and familiar and unfamiliar texts and topics The disquised prince is a theme linking several articles from early Anglo Norman romances through later English ones like King Edward and the Shepherd to a late 16th century recasting of the Havelok story as a Tudor celebration of Gloriana Translation in its widest sense the way romance can reinvent stories for different tastes and periods is anotherrunning theme the opening introductory article considers the topic of translation theoretically concerned to stimulate further research on how insular romances were transferred between vernaculars and literary systems while other essays consider Lovelich's Merlin a poem translating its Arthurian material to the poet's contemporary London milieu Chaucer and Breton lays in England Contributors JUDITH WEISS IVANA DJORDJEVIC ROSALIND FIELD MORGAN DICKSON ELIZABETH ARCHIBALD AMANDA HOPKINS ARLYN DIAMOND PAUL PRICE W A DAVENPORT RACHEL SNELL ROGER DALRYMPLE HELEN COOPER Selected studies Romance in Medieval For the Love of Shifters Catherine Banks, This collection contains five novellas and one novel England conference including Spurs she's sacrificed more for the pack than any of them realized The question now remains is there a way for Tysen to save her soul The Pawn In a game of gods and witches some pawns only want freedom Created from the bones of Achilles Achillia was destined for more than being a simple servant Trained by Ares and tested by Apollo she is sent to the mortal world to open the door preventing the gods from returning She finds help in an unlikely ally and only together can she free the gods if they don't kill each other first Centaur's Prize A Zodiac Shifters Paranormal Romance Sagittarius The centaur s prized possession was lost and as the guard on duty that night all blame is placed on Lysander For punishment they exiled him to the human's world away from his herd and the only life he had known The only way he can get back to Olympus is to find the lost item A feat made much more difficult when a gorgeous tall and leggy blonde trots into his life Mendra is the last of her kind a Pegasus with the ability to shift into human form or equine form Her mother told her wild tales about lands with centaurs satyrs Gods and heroes but she never believed them Until she met a man like her a man who could shift into equine form and tells her similar stories He asks for her help finding a lost item so he can return to Olympus and his herd She wants to help him but she s afraid to lose the one person who makes her feel like she s home Lysander convinces Mendra to help

him but as they search for the lost item he isn t so certain he wants to return home Life with the humans is so much different than Olympus and his heart aches at the thought of leaving Mendra behind alone in a world without a herd of her own Will his arrow fly true or will they lose more than they ever imagined Tiger Tears A Zodiac Shifters Paranormal Romance Taurus Humans turned werewolves threaten her happily ever after After leaving behind those who used her Tara is on a mission to find the perfect shifter to be her partner But everyone has a past and Tara's is threatening to destroy everything she's worked toward If she wants to survive she's going to have to fight tooth and claw as if she has a choice Lion About A Zodiac Shifters Paranormal Romance Virgo The cost of magic might be too high A chance encounter opens new doors for Milena and introduces her to one of the top bachelors in the city But Faerie holds the key to restoring her magic and those she escaped 10 years ago resume their hunt of her She must make the hard choice between love and life or lose them both
