a scathing indictment of this financial fiasco chronicling a series of expensive and hypocritical follies that have benefited only two groups professional anti drug advocates and drug lords The facts are alarming More than twenty five years ago a presidential committee determined that marijuana is neither an addictive substance nor a stepping stone to harder drugs but the embarrassing final report was shelved by a government already heavily invested in the war against drugs Many medical experts recommend simply prescribing drugs to addicts and communities that have done this report a lower crime rate and reduced unemployment among drug users In a riveting account of how we got to this impasse discriminatory policies demonization of users grandstanding among both lawmakers and lawbreakers conventional wisdom is turned on its head Rather than a planned assault on the scourge of addiction the drug war has happened almost by accident and has been continually exploited by political opportunists A gripping account of the violence corruption and chaos characterizing the drug war since its inception Mike Gray s incisive narrative launches a frontal attack on America s drug orthodoxy His overview of the battlefield makes it clear that this urgent debate must begin now Merck's Report Theodore Weicker,1902
