our relationships and all situations That God does not allow for suffering We create it by upholding dualistic concepts of me and you and us and them that we embraced at our beginnings and before form The precursor to the Big Bang was the need for form to play out those dualistic concepts we chose at our beginnings all our issues stem from those original concepts based on ideas of separation rather than unity That understanding time makes the seven day creation model valid What are the extraterrestrials origins How we can reconcile the growing evidence of our past association with the ETs and our scriptures and beliefs Our need to embrace the Indigenous peoples connection to Gaia That we chose to be here at this time of the Shift to bring about our personal and Gaias Ascensions Narratology, Hermeneutics, and Midrash Constanza Cordoni, Gerhard Langer, 2014 The contributions compiled in this volume comprise studies of Jewish texts biblical rabbinic medieval and modern as well as of patristic and medieval Christian texts and in one case a passage of the Muslim text par excellence the Quran The authors scholars in the fields of Jewish Studies Catholic and Protestant Theology Islamic Studies German philology etc invited to reflect on texts of their respective disciplines in context sensitive interpretations taking into account the link connecting Midrash hermeneutics and narrative provide illuminating narratological and or hermeneutical insights into the texts in question The interdisciplinary dialogue that characterized the conference Narratology Hermeneutics and Midrash that gave rise to the volume proves to be rich and full of potential for further research in the direction proposed by the Series Poetics Exegesis and Narrative Studies in Jewish literature and art **Conversations With God, Book 3** Neale Donald Walsch, 2020-09-01 Discover the answers to the questions of God meaning and existence This is the final book of the original three book Conversations with God series The series deals with universal truths of the highest order and the challenges and opportunities of the soul In Book 3 the dialogue expands to include more about the nature of God love and fear who we are and who we may become and the evolution of the human species that s about to take place This is an engaging and profound conversation about the culture philosophy and spirituality of highly evolved beings some of whom we call aliens or ETs in other realms of the universe and how they have learned to view life love and the pursuit of happiness CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything It encourages readers to embrace the mysteries of existence and to live each day with love and joy *What God Said* Neale Donald Walsch, 2013-10-01 God s number one message to the world You ve got me all wrong Inspired by his nine book Conversations with God series many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God s message to us in a more succinct way This concise text details and expands just what we need to know about life and how to live it Bringing his many conversations over the years into sharper focus than ever before Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings To experience life as fallible and human beings open minded open hearted and all embracing and to build on broaden and enrich our Ancient Story But to move forward on this ever expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important

Conversations with God Books 1 and 3 Communion with God Friendship with God Applications for Living and Meditations from Conversations with God Book 1 God's Voice Riaan Engelbrecht,2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen **Defrocking the Devil** Thomas J. Boynton,2011-03-29

Defrocking the Devil Theology of Fear is a brief history of the last 2 500 years of monotheism using the actual words of the men who claimed to know the devilfigure most intimately From Peter to Constantine to Martin Luther to our present day theologians these men and hundreds more included in this book supported the early Church fathers arguments for the inclusion of Satan into Christian polemics A dualism appeared in the story of Jesus immediately after his crucifixion Instead of tirelessly promoting the Christian message of love thy neighbor as thyself a new spiritual equation of hate torture and murder entered the theological landscape Defrocking the Devil is an attempt to puncture the myths surrounding the words evil devil and hell Two thousand years after the birth of Christianity and fourteen hundred years after the start of Islam hundreds of millions of people currently living on this planet are in real fear of one day ending up down in the devils lair How did Christian belief in

Jesus become conditional upon the existence of fictional beings and wicked subterranean places Defrocking the Devil seeks to illuminate the darkness and empower all people of faith to move beyond theologies that advocate violence into the spiritual equation There have been many books written about this dark side of Western theology but few historians do much more than recount its bloody genocidal history Defrocking the Devil actively seeks to tear down such religious dogmas by using the very words of those who extolled such a hurtful anti Christian philosophy
