Fisher, 2012-02 Confused Frustrated Perplexed You re not alone Today these are common reactions to the often baffling world we live in But this plague isn t restricted just to the secular world it has seeped into the church as well The Bible speaks out about the many pressures that would fall upon the church prior to the coming of Christ It is amazing though that

so many Christians have disregarded this warning from the Word of God As a result many have lost their sense of purpose and direction The Way Forward explores the various challenges faced by the believer and the church today It is intended to help you better understand God s glorious purpose for the church and your personal part in it It will give you God s perspective rather than man s The content emphasizes the soulful plea of the called out believer for the return to holiness as delineated by God The church is positioned for the most crucial stage of its human and spiritual experience the Lord s arrival This book seeks to be a gauge as to where one may be in God s economy and to spiritually awaken and inspire the thirsty soul to a higher level of consciousness The message of this book is simple move forward and refuse to become stagnant or motionless In today s confusing challenging and directionless world it s just too easy for a person of faith to feel lost and alone The Way Forward provides inspiration to help maintain and redirect your walk with God *Adult Catalog: Subjects*

Kabamba Kiboko,2017-02-23 An examination of the language of divination in the Hebrew Bible particularly in 1 Samuel 28 3 25 the oft called Witch of Endor passage Kiboko contends that much of the vocabulary of divination in this passage and beyond has been mistranslated in authorized English and other translations used in Africa and in scholarly writings Kiboko argues that the woman of Endor is not a witch The woman of Endor is rather a diviner much like other ancient Near Eastern and modern African diviners She resists an inner biblical conquest theology and a monologic authoritarian view of divination to assist King Saul by various means including invoking the spirit of a departed person Samuel Kiboko carries out a Hebrew word study shaped by the theories of Mikhail M Bakhtin regarding the utterance heteroglossia and dialogism in order to understand the designative connotative emotive and associative meanings of the many divinatory terms in the Hebrew Bible She then examines 1 Samuel 28 and a number of prior translations thereof using the ideological framework of African feminist postcolonial biblical interpreters and translation theories to uncover the hidden ideology or transcript of these translations Finally using African contextual cultural hermeneutics and cross cultural translation theory Kiboko offers new English French and Kisanga translations of this passage that are both faithful to the original text and more appropriate to an inculturated liberation African Christian
