The New Warriors Native American Leaders Since 1900:

The New Warriors R. David Edmunds, 2004-01-01 An indispensable introduction to the rich variety of Native leadership in the modern era The New Warriors profiles Native men and women who have played a significant role in the affairs of their communities and of the nation over the course of the twentieth century The leaders showcased include the early twentieth century writer and activist Zitkala a American Indian Movement leader Russell Means political activists Ada Deer and LaDonna Harris scholar and writer D Arcy McNickle orator and Crow Reservation superintendent Robert Yellowtail U S Senators Charles Curtis and Ben Nighthorse Campbell Episcopal priest Vine V Deloria Sr Howard Tommie the champion of economic and cultural sovereignty for the Seminole Tribe of Florida Cherokee chief Wilma Mankiller Pawnee activist and lawyer Walter Echo Hawk Crow educator Janine Pease Pretty on Top and Phillip Martin a driving force behind the spectacular economic revitalization of the Mississippi Band of Choctaws *The Extraordinary Book of Native American Lists* Arlene Hirschfelder, Paulette F. Molin, 2012-03-22 While Native Americans are perhaps the most studied people in our society they too often remain the least understood and visible Fictions and stereotypes predominate obscuring substantive and fascinating facts about Native societies The Extraordinary Book of Native American Lists works to remedy this problem by compiling fun unique and significant facts about Native groups into one volume complete with references to additional online and print resources In this volume readers can learn about Native figures from a diverse range of cultures and professions including award winning athletes authors filmmakers musicians and environmentalists Readers are introduced to Native U S senators Medal of Freedom winners Medal of Honor recipients Major League baseball players and U S Olympians as well as a U S vice president a NASA astronaut a National Book Award recipient and a Pulitzer Prize winner Other categories found in this book are History Stereotypes and Myths Tribal Government Federal Tribal Relations State Tribal Relations Native Lands and Environmental Issues Health Religion Economic Development Military Service and War Education Native Languages Science and Technology Food Visual Arts Literary and Performing Arts Film Music and Dance Print Radio and Television Sports and Games Exhibitions Pageants and Shows Alaska Natives Native Hawaiians Urban Indians Including further fascinating facts this wonderful resource will be a great addition not only to tribal libraries but to public and academic libraries individuals and scholars as well *Seven Generations of Iroquois Leadership* Laurence M. Hauptman, 2022-12-12 In Seven Generations of Iroquois Leadership Laurence M Hauptman traces the past 200 years of the Six Nations history through the lens of the remarkable leaders who shaped it Focusing on the distinct qualities of Iroquois leadership Hauptman reveals how the Six Nations have survived in the face of overwhelming pressure Celebrated figures such as Governor Blacksnake Cornelius Cusick and Deskaheh are juxtaposed with less well known but nonetheless influential champions of Iroquoian culture and sovereignty such as Dinah John Hauptman s survey includes over thirty contemporary women highlighting the important role female leaders have played in Iroquois survival throughout history to the present day The

book offers historical and contemporary portraits of leaders from all six Iroquois nations and all regions of modern day Iroquoia

First Americans: A History of Native Peoples, Combined Volume Kenneth W. Townsend, 2018-12-07 First Americans provides a comprehensive history of Native Americans from their earliest appearance in North America to the present highlighting the complexity and diversity of their cultures and their experiences Native voices permeate the text and shape its narrative underlining the agency and vitality of Native peoples and cultures in the context of regional continental and global developments This updated edition of First Americans continues to trace Native experiences through the Obama administration years and up to the present day The book includes a variety of pedagogical tools including short biographical profiles key review questions a rich series of maps and illustrations chapter chronologies and recommendations for further reading Lucid and readable yet rigorous in its coverage First Americans remains the indispensable student introduction to Native American history

Life of the Indigenous Mind David Martínez, 2019-08-01 2019 Choice Outstanding Academic Title In *Life of the Indigenous Mind* David Martínez examines the early activism life and writings of Vine Deloria Jr 1933-2005 the most influential indigenous activist and writer of the twentieth century and one of the intellectual architects of the Red Power movement An experienced activist administrator and political analyst Deloria was motivated to activism and writing by his work as executive director of the National Congress of American Indians and he came to view discourse on tribal self determination as the most important objective for making a viable future for tribes In this work of both intellectual and activist history Martínez assesses the early life and legacy of Deloria's Red Power Tetralogy his most powerful and polemical works *Custer Died for Your Sins* 1969 *We Talk You Listen* 1970 *God Is Red* 1973 and *Behind the Trail of Broken Treaties* 1974 Deloria's gift for combining sharp political analysis with a cutting sense of humor rattled his adversaries as much as it delighted his growing readership *Life of the Indigenous Mind* reveals how Deloria's writings addressed Indians and non Indians alike It was in the spirit of protest that Deloria famously and infamously confronted the tenets of Christianity the policies of the Bureau of Indian Affairs and the theories of anthropology The concept of tribal self determination that he initiated both overturned the presumptions of the dominant society including various Indian experts and asserted that tribes were entitled to the rights of independent sovereign nations in their relationship with the United States be it legally politically culturally historically or religiously

Voices of the American Indian Experience James E. Seelye Jr., Steven Alden Littleton, 2012-11-30 In a single source this comprehensive two volume work provides the entire history of American Indians as told by Indians themselves *Voices of the American Indian Experience* provides unique insights into American Indian history by focusing on Indian accounts instead of on relying on other sources As a result their voices are clearer and readers learn more about Indians directly from Indians rather than through accounts that are filtered diluted and possibly even misinterpreted by an outsider's perspective The volumes comprise a vast and fascinating variety of sources that span creation stories from Native American prehistory to Indians who met the earliest Europeans to visit the Americas all the way

through to American Indians who served in recent foreign conflicts in the U S Armed Forces This work provides information that is essential to fully understanding the history of the United States and will be a valuable resource for advanced high school students and college students as well as general audiences with an interest in history or Native American culture

American Indian Sovereignty and Law Wade Davies, Richmond L. Clow, 2009-02-04 American Indian Sovereignty and Law An Annotated Bibliography covers a wide variety of topics and includes sources dealing with federal Indian policy federal and tribal courts criminal justice tribal governance religious freedoms economic development and numerous sub topics related to tribal and individual rights While primarily focused on the years 1900 to the present many sources are included that focus on the 19th century or earlier The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness Whenever a clear central argument is made in an article or book it is stated in the entry unless that argument is made implicit by the title of that entry Each annotation also provides factual information about the primary topic under discussion In some cases annotations list topics that compose a significant portion of an author s discussion but are not obvious from the title of the entry American Indian Sovereignty and Law will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty

Native American Women Leaders Edward J. Rielly, 2022-02-08 There is insufficient recognition given to Native American women many of whom have made enormous contributions to their respective tribal nations and to the broader United States The 14 stories in this book are representative of the countless Native American women who have excelled as leaders including Debra Haaland and her history making role as Secretary of the Interior They come from across the centuries and from a range of tribal nations and represent a wide range of society including politics the arts health care business education wellness feminism environmentalism and social activism Most of these women have made their mark in more than one area Each chapter includes personal biographical and public life information Some of the women have given us much in writing including memoirs while others have left behind little or nothing written Even in the absence of their own words though their actions still speak eloquently

Native Agency Valerie Lambert, 2023-01-03 What happens when American Indians take over an institution designed to eliminate them The Bureau of Indian Affairs was hatched in the U S Department of War to subjugate and eliminate American Indians Yet beginning in the 1970s American Indians and Alaska Natives took over and now run the agency Choctaw anthropologist Valerie Lambert argues that instead of fulfilling settler colonial goals the Indians in the BIA have been leveraging federal power to fight settler colonialism battle white supremacy and serve the interests of their people Although the missteps and occasional blunders of the Indians in the BIA have at times damaged the federal Indian relationship and fueled the ire of their people and although the BIA is massively underfunded Indians began crafting the BIA into a Native agency by reformulating the meanings of concepts that lay at its heart concepts such as tribal sovereignty treaties the trust responsibility and Indian

land At the same time they pursued actions to strengthen and bolster tribes to foster healing to fight the many injustices Indians face and to restore the Indian land base This work provides an essential national level look at an intriguing and impactful form of Indigenous resistance It describes in great detail the continuing assaults made on Native peoples and tribal sovereignty in the United States during the twenty first century and it sketches the visions of the future that Indians at the BIA and in Indian Country have been crafting for themselves They Met at Wounded Knee Gretchen Cassel Eick,2020-10-14 After ten years as a foreign and military policy lobbyist in Washington and four as director of an interfaith lobby Gretchen Eick moved to Kansas earned a Ph D in American Studies from the University of Kansas and became Professor of History at Friends University She was awarded two Fulbright Scholar awards teaching in Latvia and Bosnia and Herzegovina BiH and a Fulbright Hays to South Africa Her book on the civil rights movement Dissent in Wichita The Civil Right Movement in the Midwest 1954 1972 U of IL Press 2001 2007 won three awards The Richard Wentworth award from the University of Illinois as the best book in American history that press published over two years the University of Kansas Hall Center Award for the best book by a Kansas author the first time the award went to someone not teaching at K U and the William Rockhill Nelson award for the best nonfiction book by a Kansas or Missouri author The book resulted in two museum exhibits a 2009 Telly Award winning public television documentary about the first successful student led sit in the 1958 Dockum Drug Store Sit in in Wichita and mention in the Smithsonian Museum of African American History and Culture
