Night, a Secret . . . a Child Miranda Lee, 2010-05-19 Nicolas Dupre thought he'd left his past in a small Australian bush town far behind. He'd made billions as a theatrical entrepreneur in New York and London. But then he received a request to return to Rocky Creek and everything he'd tried to forget came rushing back. Including Serina, whom he hadn't seen since that last night when they'd shared passion like hungry animals. Nicolas had never gotten over her or how she'd wronged him. Here was his chance to claim one final bedding and closure. Only Serina had a secret that could change his life. **Questing Fictions**

Night Before Morning Alistair Moffat, 2021-07-01 June 1945 Hitler has triumphed. Britain is under German occupation and America cowers under the threat of nuclear attack. In the dead of night, a figure flits through the ruins of Dryburgh Abbey, searching for a hidden document he knows could change the course of history. The journal he discovers, by a young soldier David Erskine, records an extraordinary story. When the Allies drive the Germans out of France and victory seems imminent, Erskine is in Antwerp where he witnesses a world-changing reversal of fortune. From a high vantage point, he watches a huge mushroom cloud rise over London; an atomic bomb has been detonated by the Germans in a last desperate roll of the dice. Captor becomes captive, and Erskine is held as a POW in his own land. As the brutal grip of the occupying forces tightens, he is determined to join the resistance. A daring escape leads him and his fiancée Katie on a breathless chase to the university town of St Andrews, where the Germans have established a secret research laboratory. When it becomes clear what its purpose is, David, Katie, and their small trusted band must adopt a desperate and audacious plan to thwart Nazi domination.
