The Night Swimmers:

The Night Swimmers Betsy Byars, 2013-02-12 DIV Retta Johnny and Roy have no parental rules to follow so they've made up their own. After their mother passes away, Retta, Johnny, and Roy don't have much parenting in their lives. Their dad is a country singer who keeps them well fed but isn't around much. Older sister Retta takes control, leading her brothers on all sorts of unwise adventures and promising that one day they'll have money, safety, and a nice home. When their dad is away performing at night, they slip into a neighbor's pool to swim and pretend to have a glamorous life beneath the light of the moon. But freedom doesn't mean happiness, especially when a new crisis emerges. *The Night Swimmers* is a moving story of siblings who can count on nobody but one another. This ebook features an illustrated biography of Betsy Byars, including rare images from the author's personal collection.

The Night Swimmers Peter Rock, 2019-03-12 Set in the 90s, this lyrical autobiographical novel follows the relationship that develops between a recent college grad and a young widow during their nightly swims in Lake Michigan. A mosaic of uncanny photographs and rediscovered diaries, fresh correspondence between ex-lovers, meditations on childhood and parenthood, an amphibious dance between the past and the present. Karen Russell's *Swimming at Night* compares its slipperiness to that of a dream, would be to ignore the work of staying afloat, the mesmerism brought on by the rhythm, the repetition of the strokes. Beneath the surface of Lake Michigan, there are vast systems, crosscutting currents, sudden drop-offs, depths of absolute darkness, shipwrecked bodies, hidden places. Peter Rock's stunning autobiographical novel begins in the 90s on the Door Peninsula of Wisconsin. The narrator, a recent college graduate, and a young widow, Mrs. Abel, swim together at night, making their way across miles of open water, navigating the currents and swells and carried by the rise and fall of the lake. The nature of these night swims and of his relationship to Mrs. Abel becomes increasingly mysterious to the narrator as the summer passes, until the night that Mrs. Abel disappears. Twenty years later, the narrator, now married with two daughters, tries to understand those months, his forgotten obsessions and dreams. Digging into old notebooks and letters, as well as clippings he's preserved, on the psychic photography of Ted Serios and scribbled quotations from Rilke and Chekhov, the narrator rebuilds a world he's lost. He also looks for clues to the fate of Mrs. Abel and begins once again to swim distances in dark water.

The Night Swimmers Peter Rock, 2019 A man just graduated from college and a young widow, Mrs. Abel, swim together at night, making their way across miles of open lake. The meaning behind these night swims and the narrator's relationship to Mrs. Abel become increasingly clouded as the summer passes, until the night Mrs. Abel disappears. Twenty years later, the man brings his wife and two daughters back to the peninsula, attempting to understand his past. As he rebuilds a world he's lost with decades-old relics, he searches for clues to the fate of Mrs. Abel and begins to swim long distances in dark water once again.
