The Nixons First Families:

America's First Families Carl Sferrazza Anthony,2000 **The First Family Detail** Ronald Kessler,2015-07-28 NEW YORK TIMES BESTSELLER Ron Kessler appears to get everything first Slate As in a play presidents vice presidents and presidential candidates perform onstage for the public and the media What the nation s leaders are really like and what goes on behind the scenes remain hidden Secret Service agents have a front row seat on their private lives and those of their wives and children Crammed with new headline making revelations The First Family Detail by New York Times bestselling author Ronald Kessler tells that eye opening uncensored story The First Family Detail reveals Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade potentially leaving the country unable to retaliate in the event of a nuclear attack Secret Service agents discovered that former president Bill Clinton has a blond mistress code named Energizer by agents who lives near the Clintons home in Chappaqua New York The Secret Service covered up the fact that President Ronald Reagan s White House staff overruled the agency to let unscreened spectators get close to Reagan as he left the Washington Hilton allowing John W Hinckley Jr to shoot the president Because Hillary Clinton is so nasty to agents being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service Kessler s such a skilled storyteller you almost forget this is dead serious nonfiction Newsweek Summary of Ronald Kessler's The First Family Detail Everest Media,2022-04-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The president s military aide carries the nuclear football which is a leather covered titanium case that weighs forty pounds It contains a variety of secure phone capabilities and options for launching nuclear strikes 2 When Biden travels he insists on only two Secret Service vehicles In contrast when Reagan traveled the military aide with the nuclear football was on horseback with him Only the president or the vice president as their constitutional successor can order the release of nuclear weapons 3 The football is so highly classified that all information about it has been incorrect It does not operate like an ATM with the president or vice president inserting the authenticator card and punching in launch codes to authorize a strike 4 Despite the obvious danger to the country no one in Secret Service management has ever blown the whistle on Biden His behavior is equally bizarre He regularly goes swimming nude in his pool at his residence in Delaware and his vice president s residence in Greenville

The White House Family Cookbook Henry Haller,Virginia Aronson,1987 More than 250 First Family recipes a historic treasury of American cooking Chef Haller entertains with tidbits of presidential lore and his memories of life upstairs and down 8 pages of color photos Mr. and Mrs. President Gil Troy,2000 With a new chapter devoted to Hillary and Bill Clinton s tainted partnership in office and to the present First Lady s senatorial ambitions this second edition offers fresh insights into America s paradoxical expectations for its presidential wives and husband Deeply engrossing Publishers Weekly 33 photos In the Arena Chuck Robb,2021-04-20 In December 1967 Chuck Robb was catapulted onto the national scene

when he married Lynda Bird Johnson the daughter of President Lyndon B Johnson in a nationally broadcast White House wedding Shortly thereafter Robb a U S Marine deployed to Vietnam where he commanded India Company of the 3rd Battalion 7th Regiment and was awarded the Bronze Star These two experiences seemingly polar opposites illustrate much about the eventual Virginia governor and U S senator who combined a commitment to family with an ingrained sense of civic duty on the national stage In the Arena offers the first political memoir of the noted statesman s extraordinary life tracing his path from early days as an anonymous Marine to his fairytale wedding from night movements in Vietnam to engaging in the height of Democratic politics in the Virginia state capitol and U S Senate and from experiencing personal highs and lows to becoming a principled fighter and exemplar of today s moderate Democrat Despite representing a conservative state he stood up for a woman s right to choose the Equal Rights Amendment the constitutionality of flag burning gay rights and gun control As governor Robb raised the education budget by over 1 billion and appointed a record number of women and minorities to state positions including the first African American to the Virginia Supreme Court In 1996 in his second term in the Senate he was the only southern senator to vote against the Defense of Marriage Act the legislation banning gay marriage calling the movement to end this discrimination a fight for civil and human rights Progressive on social issues he was fiscally conservative and pro national security going on to co chair the 2004 WMD Commission under George W Bush Looking back from our deeply partisan era Robb s independent approach now seems remarkable as well as instructive Full of honest reflections In the Arena pulls back the curtain on one of America s proven political leaders and reveals the surprisingly colorful story of his career marriage and life 1973 Nervous Breakdown Andreas Killen,2008-12-10 1973 marked the end of the 1960s and the birth of a new cultural sensibility A year of shattering political crisis 1973 was defined by defeat in Vietnam Roe v Wade the oil crisis and the Watergate hearings It was also a year of remarkable creative ferment From landmark movies such as The Exorcist Mean Streets and American Graffiti to seminal books such as Fear of Flying and Gravity s Rainbow from the proto punk band the New York Dolls to the first ever reality TV show The American Family the cultural artifacts of the year reveal a nation in the middle of a serious identity crisis 1973 Nervous Breakdown offers a fever chart of a year of uncertainty and change a year in which post war prosperity crumbled and modernism gave way to postmodernism in a lively and revelatory analysis of one of the most important periods in the second half of the 20th century
