Dostoevsky's Notebooks

FYODOR DOSTOEVSKY, *The Notebooks for The Idiot*. Edited, with an Introduction, by Edward Wasiolek. Translated by Katharine Strelsky. Chicago and London: University of Chicago Press, 1967. Pages vi, 254. \$6.95.

IN RECENT YEARS American university presses have been engaged in large-scale translation projects designed to make the letters of Pushkin, Gogol, and Dostoevsky available to non-Russian readers. Most ambitious of all is the University of Chicago Press, which has taken on the task, under the editorship of Edward Wasiolek, of translating Dostoevsky's working notebooks for the major novels. The notebooks for *Crime and Punishment* were reviewed in this journal (September 1967), and the notebooks for *The Idiot* have now been published.

This is a complex, costly enterprise demanding the highest standards of editing and translation if the product is to prove of value. Even if such standards are met one wonders how many readers will be interested enough to buy these volumes—a few critics, some teachers of humanities courses or courses in the modern European novel . . . and who else? Slavists will of course read the notebooks in the original. The value of the enterprise is not in question, but why this particular project when there are so many others of which we have much greater need right now? The basic critical study of Gogol (1924) by Gippius has not been translated, nor has the monumental critical study of Tolstoy by B. M. Eikhenbaum, which is indispensable to anybody seriously concerned with Tolstoy. Not even Eikhenbaum's *Molodoi Tolstoy* has been rendered into English. Dostoevsky's *The Diary of A Writer* is out of print even in the unreliable translation of Boris Brasol. Olesha's *Envy* has been poorly translated. Every teacher of Russian literature has his own urgent list—and it is doubtful that Dostoevsky's notebooks would stand high on that list. Meanwhile we have studies of Dostoevsky by E. J. Simmons and Konstantin Mochulsky (in English) that rely heavily on the notebooks. Wasiolek himself has compiled "casebooks" that contain selections from the notebooks: *Crime and Punishment and the Critics* and *The Brothers Karamazov and the Critics* (these are both paperbacks published by Wadsworth Publishing Company). The basic materials in the notebooks are therefore available to English readers in summary, paraphrase, or in selections.

Ronner, 2021-01-12 In Dostoevsky as Suicidologist Amy D Ronner illustrates how self homicide in Fyodor Dostoevsky's fiction prefigures Emile Durkheim's etiology in Suicide as well as theories of other prominent suicidologists This book not only fills a lacuna in Dostoevsky scholarship but provides fresh readings of Dostoevsky's major works including Notes from The House of the Dead Crime and Punishment The Idiot Demons and The Brothers Karamazov Ronner provides an exegesis of how Dostoevsky's implicit awareness of fatalistic altruistic egoistic and anomic modes of self destruction helped shape not only his philosophy but also his craft as a writer In this study Ronner contributes to the field of suicidology by anatomizing both self destructive behavior and suicidal ideation while offering ways to think about prevention But most expansively Ronner tackles the formidable task of forging a ligature between artistic creation and the pluripresent social fact of self annihilation

The Notebooks For The Idiot Introduction

In today's digital age, the availability of The Notebooks For The Idiot books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Notebooks For The Idiot books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Notebooks For The Idiot books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Notebooks For The Idiot versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Notebooks For The Idiot books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Notebooks For The Idiot books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Notebooks For The Idiot books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Notebooks For The Idiot books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Notebooks For The Idiot books and manuals for download and embark on your journey of knowledge?
