The Novels Of Robbe Grillet:

The Novels of Robbe-Grillet Bruce Morrisette, 1975 **Le rendez-vous** Alain Robbe-Grillet, 1987 In the Labyrinth Alain Robbe-Grillet, 1968 The Voyeur Alain Robbe-Grillet, 2018 When Mathias a travelling watch salesman returns after many years to the island of his birth a young girl is found dead on the rocks As Mathias makes an increasingly tense recapitulation of his movements on the day of the event tiny details slowly and inexorably accumulate Through the warped screen of his distorted mind the remembered images pile up until the reader is caught in his web of desperation And yet in the end reality has lost all meaning as the distinction between the narrator s recollections and the underlying facts are more and more blurred This brilliantly executed novel which showcases all the techniques that have secured Robbe Grillet s place in the canon of Western literature leaves behind a disturbing sense of unrest *The Erasers* Alain Robbe-Grillet, 2015-06-23 The first book from the French avant gardist and author of *Jealousy* Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for *Le Figaro* Alain Robbe Grillet is internationally hailed as the chief spokesman for the nouveau roman and one of the great novelists of the twentieth century *The Erasers* his first novel reads like a detective story but is primarily concerned with weaving and then probing a complete mixture of fact and fantasy The narrative spans the twenty four hour period following a series of eight murders in eight days presumably the work of a terrorist group After the ninth murder the investigation is turned over to a police agent who may in fact be the assassin Both an engrossing mystery and a sinister deconstruction of reality *The Erasers* intrigues and unnerves with equal force as it pulls us along to its ominous conclusion On the surface and surface is the key word with this author *The Erasers* is a mystery story where a police agent named Wallas stalks an unknown assassin through a nameless puzzleboard Flemish town Nothing is certain The only thing the reader can be sure of is the laser precise detail in which all that isn t clear is described catalogued and analyzed *The Millions* A haunting mystifying evocation of a murder that will keep your attention riveted *The Dallas Morning News* Praise for Alain Robbe Grillet I can think of no other writer who can render the banal so fearfully fantastic *Books and Bookmen* I doubt that fiction as art can any longer be seriously discussed without Robbe Grillet *The New York Times* *Snapshots* Alain Robbe-Grillet, 1995 Alain Robbe Grillet has long been regarded as the chief spokesman for the controversial nouveau roman This collection of brilliant short pieces introduces the reader to those techniques employed by Robbe Grillet in his longer works These intriguing gemlike stories represent Robbe Grillet s most accessible fiction *Jealousy and In the Labyrinth* Alain Robbe-Grillet, 2015-06-23 Two novels by the pioneering French author and founder of the Nouveau Roman literary movement with essays by Roland Barthes and others In *Jealousy* a man living on a banana plantation obsessively watches everything around him from the landscape and insects to his wife s every move In *the Labyrinth* follows a an increasingly desperate soldier as he carried a mysterious package through an unknown city From these deceptively simple premises Alain Robbe Grillet produced two of the most effecting and important works of the avant

garde Nouveau Roman or New Novel Jealousy was hailed by the New York Times Book Review as a technical masterpiece impeccably contrived while leading French critic Maurice Nadeau wrote that In the Labyrinth is better than an excellent novel it is a great work of literature In America the Parade of Books column proclaimed that Robbe Grillet will take his place in world literature as a successor of Balzac and Proust This volume which offers incisive essays on Robbe Grillet by Professor Bruce Morrisette of the University of Chicago and by French critics Roland Barthes and Anne Minor also contains a helpful bibliography of writings by and about the author

Jealousy Alain Robbe-Grillet, 1965 **Recollections of the Golden Triangle** Alain Robbe-Grillet, 2015-06-23 Could be read as the French New Novelist's tribute to the vibrant Latin American fiction that his own early works helped to inspire The New York Times Book Review A provocative novel by one of the most influential French writers Recollections of the Golden Triangle is a tour de force a literary thriller constructed of wildly diverse elements fantasy and dream erotic invention and the stuff of popular fiction and movies taken to its farthest limits A secret door that is opened slightly by an electronic device a beautiful hanged factory girl a pale young aristocrat whose blood apparently nourishes his vampiric lover the evil Dr Morgan who conducts his experiments in tertiary dream behavior the beautiful and sinister women from the world of horror films and the investigating police who are not all what they seem to be are just some of the ingredients of this intriguing new novel by the French master of the intellectual thriller whose novels and films have effectively changed the way we can look at the real world today Recollections of the Golden Triangle challenges the reader to find his own meaning in its descriptions clues and contradictions and to play detective by assembling the pieces of the fictional puzzle If you make the effort to read Recollections of a Golden Triangle you will have a richer and more rewarding experience than you would reading a conventional mystery story St Louis Post Dispatch A sense of atmosphere and a power of representation that at best make one feel that one is looking over an artist's shoulder with one eye on the canvas and the other on the reality that he is sketching The Times

Repetition Alain Robbe-Grillet, 2007-12-01 From the French master of the avant garde A spy tale whose prime puzzle lies in the philosophical intricacies of its own construction Entertainment Weekly We are in the bombed out Berlin of 1949 after the Second World War rendered with an atmosphere reminiscent of Orson Welles The Third Man Henri Robin a special agent of the French secret service arrives in the ruined former capital to which he feels linked by a vague but recurrent childhood memory But the real purpose of his mission has not been revealed to him for his superiors have decided to afford him only as much information as is indispensable for the action expected of his blind loyalty But nothing is what it seems and matters do not turn out as anticipated Exhibits a sensibility as nervous and contemporary not to mention witty as that of any novelist working today The Los Angeles Times Mirrors doubles double agents repetitions trompe l'oeil war paintings dream sequences sexual torture a criminal mafia of postwar Nazis and murky memories add to the disquieting disorienting literary puzzle San Francisco Chronicle A Gothic masterpiece Repetition is fearfest like no other and a rewarding text that demands to be reread again and again The master
