how some have survived some don't From Ceduna Madura Mundrabilla Kimba and Yalata near the dog fence Lewis has met worked and lived with the creme de la creme of drifters and transients as well as the fourth and fifth generational outback station owners In the great Australian outback among the dry red soil the mulga and saltbushes where the kestrels observe and keep their secrets beware who you're talking to Helen Travers author of *A Little Lower Than Angels* **The Best**
