Rule 3 Eat protein at every meal making some kind of fish your go to protein as often as you can Take your weight and divide it by two that s more or less how much protein you should be eating in grams every day **Rule 15** Eat at least ten meals a week at home and cook them yourself Restaurant portions are usually 40 to 50 percent bigger than what you d serve at home the more you eat out the more you overeat Set yourself up for success by preparing my turkey meatballs hummus and roasted vegetables on the weekend so that you will have go to staples and no excuses **Rule 18** Go to bed slightly hungry Denied fuel for more than five hours your body will start burning its own fat and sugar Make a point not to eat after dinner and you ll be burning fat while you re sleeping **Rule 20** Enjoy a splurge meal once a week Unlike episodic bingeing

splurge meals are an ingredient in your diet When you plan something you are in control **The Future Is Fat** Jen Rinaldi, May Friedman, Emily R.M. Lind, Crystal Kotow, Tracy Tidgwell, 2021-08-12 Fat bodies of today are commonly assumed to have no future at all In this line of thinking a fat life is framed as failure and a fast track towards death itself Meanwhile the histories of modern fat existence communities activists and artists have been essentially unknown written out of origins and existence Most medical and cultural evaluations of fat have rendered the fat body more and more visible and yet the lived experiences of fat people are continually erased At a moment when scholars from various disciplines are contending with the question of who has a future this book explores the relationship between fat experience and the social construction of time The works in this volume draw from fields as diverse as social geography women and gender studies critical race theory disability studies cultural studies visual art and craft social work communication studies and queer theory generating renewed understandings of the relationship between fatness and temporality The Future Is Fat reimagines understandings of time to allow for new expressions of fat experience The chapters in this book were originally published as a special issue of Fat Studies An Interdisciplinary Journal of Body Weight and Society
